Subject: **Markup of Proposed Changes To Countywide Planning Policies (CPP) Policies**

The undersigned King County Rural Area Unincorporated Area Councils / Unincorporated Area Associations / Organizations seek to “*Keep the Rural Area Rural.*” Herein, as part of the ongoing **2021 CPP Update**, we present a detailed markup of the proposed **CPP** Policy Matrix. It is our goal to help inform the development of the Public Review Draft (PRD) to be discussed and approved by the King County Growth Management Planning Council (GMPC) at its March 31 meeting.

We provide a Rural Area perspective, as well as a regional perspective, in several key areas, such as environment and transportation. Our recommended changes to the proposed **CPP** Policy Matrix are shown in **yellow highlighted red**. We also include supporting rationale, where warranted, in the “*Notes*” column on the righthand side.

Should you have any questions, please contact our undersigned CPP Coordinator. Thank you.
