

YOU ARE INVITED TO SUBMIT A PROPOSAL ON THE FOLLOWING PROJECT:

“Grant Writing Services”

Deadline: June 30, 2023 at 4:30 p.m.

OVERVIEW AND INTRODUCTION

The City of Mukilteo (“City”) invites qualified candidates to submit proposals for contractual grant writing services. The City is seeking to contract with an individual or firm that specializes in the management of the overall grant process and can assist the City to maximize the benefits of grant funding.

Mukilteo is a waterfront community situated on Puget Sound in southern Snohomish County, about 25 miles north of Seattle. This scenic area has views of the Olympic Mountains to the west and the Northern Cascade Mountains to the north and east.

The City provides police and fire services, street improvements and maintenance, community development services, general administrative services, and parks and recreation management. The City also owns and operates a stormwater utility.

BACKGROUND

It is the intention of the City to apply for grants which address documented City needs associated with service delivery and necessary capital infrastructure improvements. The City of Mukilteo intends to identify and select an experienced professional grant writing consultant or firm with a proven track record of researching, developing, writing, preparing, submitting and executing program administration of the successful grant proposals for federal and state government grants and private foundation grants. In addition, it is the intent of the City to apply for grants which not only are consistent with identified City needs but those grants that can be properly and efficiently administered by staff taking into account existing duties and responsibilities. The goal of the City’s grant program is to secure funding for services and projects which the City otherwise would be required to utilize local tax dollars.
