Commemorates**

National Suicide Prevention Week

September 12, 2017

**War Memorial
1 Memorial Drive • Trenton, NJ
8:30 a.m. – 4:15 p.m.**

“Take a Minute, Change a Life”

This year we are pleased to be partnering with the Department of Children and Families for this full-day event.

Dr. Jerry Reed, from the Suicide Prevention Resource Center/Education Development Center will be the key note speaker on the topic of Zero Suicide. In addition, this dynamic conference will include people with lived experience and other experts in the field addressing suicide prevention throughout the lifespan.

Please save the date for September 12 and join us for this worthwhile event. This event is funded by DMHAS and DCF with no charge to the public.
