

Tableau Upgrade Professional Services

Professional Services (Non-Staff Augmentation)

Description:

The Federal Home Loan Bank of Pittsburgh is looking for suppliers who can perform an upgrade to our Tableau Server environment.

Gather information from the suppliers regarding their capabilities in remotely performing an upgrade to our existing Tableau Server to 2020.2, document steps taken and provide training on the Tableau Server Module (TSM).

Specific information about the current environment is below.

- The version of Tableau server is 2018.1.10. It runs on Windows 2012 server. (Server would be upgraded to 2019).
- We have one non production server and one production server. Each server has one site, 24 creators and 100 viewer licenses.
- OneLogin is configured for SSO.
- Citrix Netscaler is used as a reverse proxy for our mobile access.
- Interworks Tableau Portal is used for Embedded Analytics.
- Provide past experiences of performing this type of work

Date to Inquire about Opportunity: July 13, 2020
