PREPARE TO SELL ONLINE

1. Choose What To Sell
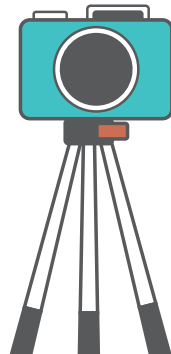

- Best selling products
- Ease of selling & shipping
- Demand of the product

2. Photograph products

- Use natural light
- Ensure photos are in focus
- Remove background clutter

3. Write Descriptions

- Quick short descriptions
- Bullet points for features
- Long descriptions as needed

Once these are ready, it will be easy for you to start your online store!

Already selling online?
Great! You'll be able to set up your shop quickly!
We *may* even be able to help import or sync your products.

Soon you'll have a fully functioning e-commerce &
lead-generation shop for your business!
