

COVID-19 RELIEF PENNSYLVANIA STATEWIDE SMALL BUSINESS ASSISTANCE

GRANTS TO HELP BUSINESSES IMPACTED BY COVID-19

PURPOSE

The COVID-19 Relief Pennsylvania Statewide Small Business Assistance program provides grants ranging from \$5,000 to \$50,000 to small businesses economically impacted by COVID-19. The Pennsylvania CDFI Network will administer several rounds of funding to the best qualified applicants. **This is not a first-come, first-served program.**

Priority is given to small businesses that are:

- Owned and operated by low and moderate-income people
- Located in areas with incomes significantly below the median income level, high levels of poverty, higher than average unemployment rates, or significant population loss
- Types of businesses that were most impacted by the economic shutdown and experienced the greatest revenue losses
- At least 50% of grants will go to historically disadvantaged businesses that have traditionally experienced discrimination when seeking financial services and financial products. These businesses are at least 51% owned by persons who are Black, Hispanic, Native American, Asian American, or Pacific Islander

Additional considerations are made for:

- women-owned businesses
- communities targeted for business investment by state government programs like Main Street and Elm Street, and rural communities
- ensuring funds go to small businesses across Pennsylvania

ELIGIBILITY

To apply, a business must:

- Be physically located, certified to do business, and generate at least 51% of their revenues in Pennsylvania
- Have annual revenues of \$1 million or less (before the impact of COVID-19)
- Have 25 or fewer full-time equivalent employees prior to Feb. 15, 2020

Business cannot apply if they are:

- Not physically based in Pennsylvania
- In active default (not on a payment plan) with taxes or fees owed to the commonwealth or IRS
- Non-Profits, churches, and other religious institutions
- Government-owned entities or elected official offices
- Have NO revenue loss or additional costs due to COVID-19
