AM Activities	Welcome to film camp! This week we'll be writing and shooting our very own short film. Teens will randomly select prompts to inspire their story. We'll spend the first day learning about filmmaking and developing our story.		With a finalized script in hand, it's time some for lights, cameras, and action! It's go time as we're moving full steam ahead to bring our script alive. From acting to costuming, there's a role for everyone!	We'll be getting out on set early to ride the momentum of the previous day. Behind the camera or in front of the camera – film week is a memorable time!	Last day to finish filming our movie! The pressure is on as we race to get our last scenes all wrapped up.
Lunch	Be sure to pack a hearty meal with plenty of snacks and non-sugary beverages.		Be sure to pack a hearty meal with plenty of snacks and non-sugary beverages. PM Activities	Collaborative brainstorming sessions and writing, costume and location picking, and equipment overview. We'll finish off the day with a dip at Martin Pool.		The action continues in the afternoon as we get through shooting the various scenes we have planned out. We'll finish the day off with a cool down at Mendez Pool.	We're pushing into the afternoon to wrap up our production! We'll cap off our day with a well-earned trip to Barton Springs.	Gathering our final shots before we head to over to the pool and get back to watch raw footage from the week's production, popcorn in hand of course. That's a wrap!
