This recruitment will remain open until the needs of the Commission are met. Applicants are encouraged to apply by February 1, 2022, for first consideration.

THE COUNTY OF LOS ANGELES

The County of Los Angeles has a demographically and geographically diverse population of more than 10 million residents. The County's 100,000+ employees in 36 departments provide vital and wide-ranging public services.

THE BOARD OF SUPERVISORS

The County is governed by a five-member Board of Supervisors who are elected on a non-partisan basis and serve four-year staggered terms. As the governing body, the Board serves as both the executive and legislative authority of the largest and most complex county government in the United States.

Commissions are established to help the Board carry out the many and varied duties and responsibilities of local government. The Board receives advice from its commissions on a wide range of issues affecting the community. Some commissions also ensure that the Board is responsive to community needs.

THE CIVILIAN OVERSIGHT COMMISSION

On January 12, 2016, the Board voted to establish a Civilian Oversight Commission with the intent to improve public transparency and accountability with respect to the Los Angeles County Sheriff's Department (LASD) by making recommendations to the Board, the department, and the public. The Commission provides robust opportunities for community engagement and ongoing analysis and oversight of the LASD's policies, practices, and procedures. In March 2020, the County of Los Angeles voted and passed Measure R, which granted the Commission investigatory power, subpoena power, and tasked it with developing a public safety reinvestment study and implementation plan.

The Commission is advisory by nature. The Commission is comprised of nine members: five supervisory district appointments, and four *community appointments. The Commission staff provides support to the Commissioners and administers the day-to-day operations. The Office of Inspector General (OIG) and its staff work closely with the Commission and serves as the Commission's investigative arm.

*This bulletin and application will be utilized to fill the Commissioner vacancy(s) for Community Appointment.

ROLE OF THE COMMISSIONER
