

## **2020 POST-ELECTION PROCEDURES**

For the November 3, 2020 General Election, the Board has received a large number of absentee and mail-in ballots. In order to efficiently process these ballots, the Board deputizes and authorizes its staff to comply with the following procedures and to complete the absentee and mail-in ballot pre-canvass and canvass and voting machine ballot canvass in accordance with the Election Code.

### **Absentee and Mail-in Ballot Receipt and Sorting**

Upon receipt by the Board, envelopes containing absentee and mail-in ballots will be time stamped with the date the Board received them, screened for compliance with the Election Code and scanned into the SURE system. Envelopes containing absentee and mail-in ballots will be organized and sorted by Ward and Division to prepare for the Pre-Canvass and Canvass, and shall be securely maintained until that time. That process shall include:

- The envelope of any elector for whom the Board has received due proof of death prior to 7 a.m. on November 3, 2020 shall be set aside.
- The envelope of any elector whose proof of identification has not been verified by the Board shall be set aside until proof of identification is received and verified.
- The envelope of any elector whose ballot or application has been timely and properly challenged will be set aside until such challenge is finally determined.

### **Absentee and Mail-in Ballot Pre-Canvass and Canvass Procedures**

1. Beginning on or after 7 a.m. on November 3, 2020 at the Philadelphia Convention Center, Hall F, staff will begin pre-canvass of the absentee and mail-in ballots received by the Board prior to the finalization of poll books.
2. A list of all envelopes that are to be examined during the Pre-Canvass and Canvass shall be posted publicly and provided to observers present.
3. Staff shall examine each envelope and perform the following steps:
  - a. Staff shall verify that that the elector is entitled to vote by comparing whether the name written on the declaration (either in the space for the voter's printed name or if determinable from the voter's signature) is the same person named in the information from the list of absentee and mail-in voters pre-printed on the declaration envelope.
  - b. Staff shall determine if they are satisfied that the declaration is sufficient.
    - i. If the examiner is unsure whether the declaration is sufficient for any reason, including because the envelope lacks a signature or date, the envelope shall be set aside for review by the secondary examination staff and/or the Board and the envelope shall not be opened prior to noon on Wednesday, November 4, 2020.

4. Any envelope whose declaration is not determined to be sufficient upon initial examination or which was submitted by an elector who was not entitled to vote shall be set aside for review by the secondary examination staff and/or the Board and the envelope shall not be opened prior to noon on Wednesday, November 4, 2020.
5. Envelopes not set aside shall then be brought to the extraction area and opened. If the secrecy envelope within the declaration envelope contains any text, mark or symbol which reveals the identity of the voter, the voter's political affiliation or the voter's candidate preference, or if the ballot is not contained within a secrecy envelope, the secrecy envelope and ballot shall be set aside.
6. Board staff shall then open any secrecy envelopes not set aside and scan all ballots contained therein.
7. Results shall be uploaded to [results.philadelphiavotes.com](https://results.philadelphiavotes.com). To the best of their ability, the staff shall post results of absentee and mail-in ballots scanned on Election Day with the first results posted after polls close at 8pm and after the last voting machine results of the night. To the best of their ability, the staff shall post absentee and mail-in ballot results on November 4<sup>th</sup> between 9:30am-10am, 3:30pm-4pm, and 9:30pm-10pm. Due to the COVID-19 pandemic and the need to keep the staff conducting the canvass safe, those permitted to be present for the pre-canvass and canvass, other than Board of Elections personnel, may be limited to candidates, representatives of candidates, parties, and bodies, and watchers (collectively, “Observers”) pursuant to 25 P.S. § 2650 and 25 P.S. § 3146.8 of the Pennsylvania Election Code. Observer certificates for the pre-canvass and canvass will be issued as follows:

- Any party or political body or body of citizens<sup>1</sup> which now is, or hereafter may be, entitled to have watchers at any primary or election may appoint watchers who are qualified electors of Philadelphia or Pennsylvania-licensed attorneys representing said party or body.
- Every candidate may be present in-person. Candidates may appoint Observers who are qualified electors of Philadelphia or Pennsylvania-licensed attorneys representing them. Or candidate may appoint one authorized representative to be a watcher for the canvass of the absentee and mail-in canvass.

Those entitled to Observers must email [vote@phila.gov](mailto:vote@phila.gov) with the name of each appointed Observer, the Observer’s address, and—if the Observer is their attorney—their PA Bar number. Due to security restrictions, Observer requests must be received by 5 p.m. on Friday, October 30, 2020 in order to be approved prior to Election Day. Late requests will be processed on a rolling basis.

Observers must be approved by the Board and pass a security and health screening in order to be admitted to the pre-canvass and canvass. Observers must wear a face mask and comply with other safety guidelines at all times. Observers must remain within the physical area designated for observers behind the railing. One Observer per candidate and three Observers per party or body shall be permitted to be present at any one time. To the extent the number of Observers requesting to be present in this area at any given time exceeds the number consistent with social distancing guidelines, the Board of Elections will limit in-person viewing by endeavoring to allow Observers to view in-person on a rotating basis. Observers may not disrupt or interfere with Board staff completing the pre-canvass and canvass. Observers shall not be permitted to take photographs, video and audio recordings, or use cell phones inside the observation area during the pre-canvass or canvass. A designated area will be provided for pictures, video, and cell phone use. Violators will be removed and have their Observer eligibility revoked.
