# SERVE AS A LEGISLATIVE PAGE

Who: Youth who are at least 14 years of age and have not reached their 17th birthday. \*

\*The legislature is making a one-time exception for the 2023 Page Program. Students who are 17-18 years old and were unable to previously participate due to the COVID-19 pandemic are welcomed to apply and identify the dates they are available. While we are still identifying the specific dates, we will release an update once a decision has been made.

What: Pages participate for one 40-hour work week, assisting the House of Representatives with duties including serving on the chamber floor, making deliveries throughout campus, supporting member offices, and attending Page School, which is geared toward understanding the legislative process.

When: Applications open November 1st. This year the legislative session starts the week of January 8th and ends the week of April 16th, offering 15 different opportunities.

Where: On the Capitol Campus in Olympia.

**APPLY TODAY!**

The Page Program is free, and students earn a stipend of \$35 a day and can also earn up to 20 hours of community service! However, requirements like transportation to the Capitol have kept students from participating in previous years. Fortunately, the legislature created a scholarship program in 2016.

**Learn more and find out how to apply for the Gina Grant Bull Scholarship.**
