Drafter: Tim Pitts Department: Community Development

Program: Building Safety Line of Business: Las Cruces Development Center

Title: A RESOLUTION REPEALING RESOLUTION NO. 21-019 AND REPLACING WITH A NEW FEE SCHEDULE FOR COMMUNITY DEVELOPMENT DEPARTMENT OPERATIONS.

TYPE OF ACTION: ☒ Administrative ☐ Legislative ☐ Quasi-Judicial

PURPOSE(S) OF ACTION:

Adopt new fee schedule.

BACKGROUND / KEY ISSUES / CONTRIBUTING FACTORS:

The Community Development Department (CD) is responsible for construction document plan review, permit issuance, and inspection of all private construction activity in the City of Las Cruces. In support of the CD Strategic Business Plan, department staff have reviewed the adopted fee schedule and are proposing changes to fees that will further City and Departmental goals. This is an ongoing effort with fees being reviewed and re-adopted at least every three years.

The fees presented here represent: 1) A unified fee schedule that addresses all fees charged for activities related to construction and development; 2) Fair market value fees for the local area; 3) Fees in support of technology and staffing that are right-sized to reflect industry demand, and 4) Fees that provide a minimum off-set of 80% of the cost of providing the services in the Las Cruces Development Center (a Budget Office strategic goal). The associated fee schedule does not include the various fees charged by other departments, nor does it include impact fees that are adopted using a separate methodology.

Currently, collected fees sufficiently cover the operations of the Building Safety and Land Use Development programs, so there is not a request to increase fees in this schedule. Instead, we propose simplifying trade fees, providing for higher fees in order to discourage certain activities, and reducing fees for affordable housing and residential alterations and additions. The majority of New Residential and Commercial fees remain unchanged.

RESOLUTION 23-074

A RESOLUTION REPEALING RESOLUTION NO. 21-019 AND REPLACING WITH A NEW FEE SCHEDULE FOR COMMUNITY DEVELOPMENT DEPARTMENT OPERATIONS.

The City Council is informed that:

WHEREAS, the Community Development Department is responsible for the permitting and inspection of all private construction and development activities within the City of Las Cruces; and

WHEREAS, inspections ensure that construction and development activities occurring in Las Cruces are conducted in an orderly, safe, and sustainable manner; and

WHEREAS, Finance and Community Development Department Strategic Business Plans recommend that fees should help offset the cost of providing compliance services.

NOW, THEREFORE, Be it Resolved by the Governing Body of the City of Las Cruces:

(I)

THAT Resolution 21-019 be repealed.

(II)

THAT the Community Development fee schedule, as shown in Exhibit "A", attached hereto and made part of this Resolution, is hereby adopted.

(III)

THAT the 2023 Community Development fee schedule is effective as of February 1, 2023.

(IV)

THAT City staff is hereby authorized to do all deeds as necessary in the accomplishment of the herein above.

- Building and Construction Permit Services
- Fire Code Review
- Construction Inspection
- GIS Mapping and Property Information Services
- Land Use and Engineering Review
- Business Registration and Licensing Services
- Environmental and Zoning Enforcement
- Long Range Planning and Historic Preservation

Location:

Community Development Department

700 N. Main St., Suite 1100,

P.O. Box 20000

Las Cruces, NM 88001

Service Center Hours:

- Monday, Tuesday, Thursday, and Friday 7:30 am – 5:00 pm
- Wednesday 8:00 am – 2:00 pm; Afternoon – closed for admin and training
- Online access: Available 24 hours

Payment Types Accepted:

Cash, checks, Visa, and MasterCard.

Visa and MasterCard credit cards are accepted on our website.

Contact Information:

Project specialists are available for consultation during Community Development business hours by appointment by calling 575-528-3222. There is also a walk-in Pre-Application Conference in City Hall Room 1158 from 1:30-2:30 pm every Wednesday afternoon for project review regarding zoning and subdivision. A special Pre-Application meeting for small businesses needing answers to development questions is held from 2:30-3:30 pm every Wednesday afternoon. Additional information and application forms can be obtained from our website at <http://www.las-cruces.org/184/Community-Development>

Fee Waivers:

Fees shall not be waived by City staff except where explicitly allowed by the Las Cruces Municipal Code, in which case a request citing the correct section of code must be presented to the Community Development Director and the fee shall be assessed and then credited or reimbursed. All other requests to vary, waive, or appeal a development or building permit fee is to be decided by City Council through Resolution.

Infill Incentive Program:

Qualifying properties meeting the requirements of the Infill Development Process may request in writing an incentive equal to the cost of permit fees. All appropriate fees will be assessed and paid. If the incentive is approved, the incentive amount will be reimbursed when a Certificate of Occupancy is issued on the project. All reviews shall follow the procedures outlined in LCMC Section 38-48, IDO—Infill Development Overlay. Only those properties located within the defined Infill Area shall be eligible for this incentive.

For infill proposals following the administrative (IDPA) process, the Community Development Director or designee shall determine whether the property qualifies as an eligible property based on established criteria in the Las Cruces Municipal Code. That decision may be appealed to the Planning and Zoning Commission. If approved, the building permit fee shall be reimbursed. City staff is not authorized to reimburse more than the building permit fee.

For infill proposals forwarded to the Planning and Zoning Commission (IDPPZ), the applicant may request an incentive of any permit or submittal fees in this schedule associated with the infill development project. If approved, the requested fees shall be reimbursed.

An incentive of greater than \$5000 requires approval of the City Council.

ADMINISTRATIVE FEES

These are fees that apply to all permits and activities of the One Stop Shop.

Administrative Fees	Charges
Copy and Print Charges	
Hardcopy Print or Photocopy	\$0.50/per page
Tabloid Size Sheets	\$1.00 per page
D-size or E-size Sheets	\$5.00 per page
High Resolution Aerial Photos	\$5.00 + material cost/page
Software-Generated Reports	
Standard Reports	\$15.00
Custom Reports	\$45.00/hour
Existing Reports (1 hour minimum)	Reproduction charge only
Expedited Review	\$1000 plus permit and plan check fee.
Revision/Addendum Fee	
Reviewers as determined by CBO or designee	\$45 per review
Technology Fee	
Trade Permit (Electrical, Plumbing, Mechanical & Rock Wall)	\$10 per permit
Residential New, Alteration, and Addition	\$20 per permit
Commercial New, Alteration and Addition	\$100 or 5% of permit fee, whichever is greater
Other Permits	\$10 per permit

BUILDING PERMIT FEES

The rates in effect at the time of permit issuance apply unless otherwise noted. Building permits are issued as a general permit. Electrical, mechanical, and plumbing sub-contractor permits, and fees are required when associated with a general permit unless stated otherwise.

RESIDENTIAL BUILDING PERMIT FEE

This fee is due at the time of permit issuance and is tripled on permits for work started or completed without an approved permit.

- New single-family dwellings, townhouses, and duplexes: \$0.20 per square ft of gross floor area measured to the outside walls.
- Remodels and additions follow the same process based on the work area identified in the construction plans.
- Minimum permit fee = \$50

COMMERCIAL BUILDING PERMIT FEE

This fee is based on the value of the work covered by the permit. It shall be determined using the City of Las Cruces Valuation Table (pp. 8-9) as adjusted by the scope modifier and the local area modifier (p. 7). The square foot construction costs in the City of Las Cruces Valuation Table are based on cost data as published by the International Code Council. Construction materials are defined as materials that become an inseparable and integral part of a completed structure or project.

The determination of the valuation of any construction shall be made by the building official based on the adopted Building Valuation Data Table. The determination of the valuation of any site improvements shall be made by the Chief Development Engineer based on current engineering standards. A valid contract and/or material list may be required.

Fee is due at the time of permit issuance and is tripled on permits for work started or completed without an approved permit.

PLAN CHECK FEE

Plan check fee is the first 25% of the building permit fee for residential and commercial applications. This fee applies to building and sitework permits to assure that the design complies with all city codes. Fee is due at the time of application and is non-refundable. The rate in effect at the time of application applies.

EXPEDITED PERMITTING

Expedited permitting is available on request. The fee is \$1000 in addition to the permit and plan check fee.
