GLENN COUNTY

Glenn County was incorporated on March 5, 1891. The County seat, Willows was created March 11, 1891. Glenn County was developed out of the northern portion of Colusa County and named for Dr. Hugh J. Glenn, who was the largest wheat farmer in the state during his lifetime and a man of great prominence in the political and commercial life in California.

Glenn County is located in the northern central valley of California, approximately 75 miles north of Sacramento and 110 miles northeast of the San Francisco Bay Area. It is comprised of approximately 1,315 square miles and is bounded on the east by Butte County; the north by Tehama County; and the west by Mendocino County and on the south by Colusa County. With over 1188 farms and ranches, agriculture remains to be a primary source of Glenn County's economy. The 2020 gross production of agricultural commodities was valued at over 700 million dollars. Major commodities include rice, almonds, prunes, walnuts, corn, alfalfa hay, milk products, cattle, sheep, and apiary products.

Glenn County offers unlimited recreational opportunities including hiking, camping, fishing, golfing, waterfowl, and game hunting. The Sacramento River extends along the eastern boundary in a north-south direction and is one of the largest salmon spawning rivers in the world. Glenn County has 933.41 miles of maintained roads. Of those, approximately 30 miles are within the City of Willows and 41 miles in the City of Orland.

There are three State highways and one interstate route which run through Glenn County: Interstate 5 and State Highways 162, 45, and 32. The County owns and maintains approximately 30 buildings and has about 331 acres of vacant land. Additionally, the County owns and operates two general aviation airports and a Class III solid-waste facility and transfer station.

The cities of Orland and Willows are the only two incorporated cities within Glenn County. These cities contain approximately one-half of the County population. There are several smaller unincorporated communities throughout the County (Hamilton City, Ord Bend, Artois, Elk Creek, Butte City, Bayliss, Afton, Codora, and Glenn).

There are approximately 475 full-time equivalent employees and a total annual budget of over \$174 million dollars. The County is governed by a five member Board of Supervisors, who each represent a district based on an equal representation of the County's population. Members of the Board of Supervisors serve as the legislative body for Glenn County and provide policy direction for all branches of County government including the County Administrative Officer. Each Board member is elected by the voters in their district to a four year term.
