For Immediate Release

Extend Deceleration Lane Southbound Interstate 15 to State Route 138 Off Ramp Cajon Junction

SAN BERNARDINO – The California Department of Transportation (Caltrans) will soon begin work on a \$ 4.2 million project to extend the deceleration lane on the southbound Interstate 15 (I-15) off ramp to State Route 138 (SR-138) at the Cajon Junction in San Bernardino.

The project was awarded to Security Paving Inc., of Ontario. Crews will be working from 0.1 miles north of the I-15/SR-138 separation on the southbound I-15.

Expect lane and ramp closures approaching and within the construction zone with possible detours to be determined.

The project is expected to be completed in the Summer of 2022.

Remember to reduce your speed in and surrounding the work zone. Be advised, the weather may affect this operation.

Know before you go! To stay on top of roadwork in the Inland Empire go to [Caltrans District 8](#) and sign up for commuter alerts. Follow us for the latest information on [Facebook](#) and [Twitter](#). To assist in planning your commute, view live traffic conditions using [QuickMap](#) and [planned lane closures](#).
