

Be a Health Care Superhero apply today!

Your community needs YOU NOW!

You can be a health care superhero by stepping up to help people in your community who live in assisted living or in a nursing home. You'll also be developing valuable job skills and experience while getting paid. You can be as young as 15 years old to start on your health care career pathway.

Assisted living locations and nursing homes are hiring now for entry level positions such as:

- ★ **Nursing assistants** – enhance the lives of residents by helping them with daily living activities.
- ★ **Dietary aides** – prepare and serve meals to residents and staff, as well as clean up after meals.
- ★ **Environmental services** – maintain a clean, sanitary and comfortable environment for residents, employees and the public.

These jobs can provide:

- ★ A great **stepping-stone to a career** in health care, including in dietary, gerontology, psychology, physical therapy, human resources and even business administration
- ★ **Flexible hours** to fit your schedule and other commitments
- ★ High schoolers can receive **work experience credit** which counts toward your electives
- ★ Most facilities offer **free training** and **college scholarship** opportunities

If you are at least 15 years old and ready to be a superhero, find out more by contacting us today:
