

POP Peer-to-Peer Webinars

De-escalation and Effective Communication Strategies

May 26, 12-1 p.m.

This webinar will identify:

- Information/strategies to help understand when effective communication can and should take place.
- How to be aware of obstacles to communication.
- How to engage effectively (and reduce risk) when supporting people in crisis or those who are angry.

Upcoming webinars and past recordings can be found at www.doh.wa.gov/POP
