

POP Peer-to-Peer Webinars

Long COVID Q&A for Health Care Providers

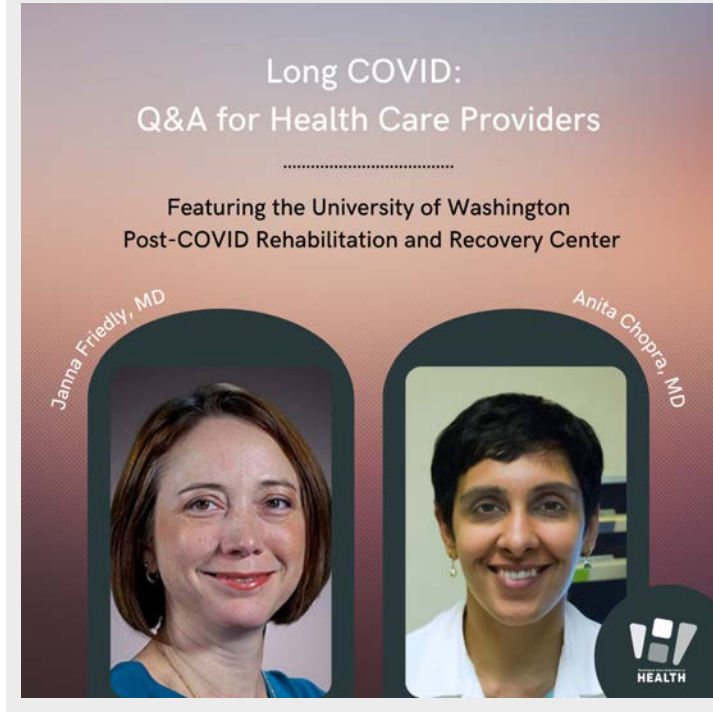

May 12, 12-1 p.m.

Featuring experts from the University of Washington Rehabilitation and Recovery Clinic

This webinar is part of our equity-driven Long COVID series to help address disparities in Post-COVID treatment access across Washington state by sharing the knowledge of specialists with general practitioners.

This is an excellent opportunity for health care providers to ask questions about Long COVID of our panelists!

Upcoming webinars and past recordings can be found at www.doh.wa.gov/POP
