

2021 EPA Chapters of Blacks In Government Community Service Project

"Pack A Backpack !"

This year, we are partnering with the **Sasha Bruce Youthwork** organization <https://www.sashabruce.org/> to support homeless youth in the DC metropolitan area by providing essential school supplies and personal items. Please join us in helping these students gain access to everything they need to begin a successful school year.

The items that are collected will be donated to the Sasha Bruce “drop in center” which supports high school and college aged youth. To ease the process, we have initiated an [Amazon.com](#) registry which identifies the needed items and will ship directly to us for packing and delivery to the Sasha Bruce center.

Please click [HERE](#) to donate through the Amazon registry.

Please submit all donations by **September 30, 2021.**

Due to fluctuating circumstances, these students are in need of constant encouragement. We are asking our members to *please* send positive and encouraging words along with your donation.

You may add an encouraging message through your amazon purchase
