RE: PRELIMINARY BUDGET REPORTS

The State Controller's Office (SCO) has released the annual preliminary budget reports to assist departments in reconciling differences between the SCO records and agency documentation for the Schedule 8 process occurring in July and managed through the Department of Finance (DOF). As well as for use in the preparation of the annual Schedule 7A Galley Proof distributed to departments via e-mail from the DOF.

Agencies are able to review the regular Schedule 8 report and the supplemental report via ViewDirect:

- Report ID: PD59 Report Title: SCH 8 REGULAR
- Report ID: PD60 Report Title: SCH 8 SUPPLEMENTAL

Please see Attachment A, which will provide an outline of the ViewDirect report contents and field descriptions. For more information about ViewDirect and how to use it, please refer to the [ViewDirect Manual](#).

Questions regarding reconciliation between the Schedule 8 and the electronic spreadsheets should be referred to your finance budget analyst.

To provide the SCO with comments or suggestions on ways to enhance the annual preliminary budget reports used in the Schedule 8 process, please use the SCHEDULE 8 SURVEY FORM (Attachment B). Completed survey forms should be returned via email by **November 1, 2022** to the Systems Activities Coordination and Support Unit at ppsdsacs@sco.ca.gov.

If you have any questions regarding this letter, please contact the Systems Activities Coordination and Support Unit at ppsdsacs@sco.ca.gov.

I. SCHEDULE 8

This report lists **all authorized established positions** (filled and unfilled) as of 06/30/22, except those with abolished agency codes or abolished class codes.

DATA ON SCHEDULE 8 AND SUPPLEMENTARY SCHEDULE 8

The source of data on the Schedule 8 is information on the Controller’s Office data base as of the run date printed on the Schedule 8 report. Data reflected is as of June 30, 2022, and does not include MSAs or reorganizations that become effective July 1, 2022.

A. TERMINATION DATE

1. The termination date of authorized established positions (filled and unfilled) will be printed.
2. For unauthorized positions, the expiration date of the employee’s appointment will be shown.
3. Positions with a termination date other than the last day of the pay period should be verified.

B. SURNAME

1. The employee’s surname will be printed for all filled positions, both authorized and unauthorized.
2. “VACANT” will be printed for unfilled authorized established positions.
3. “TERMIN” will be printed for positions terminated.

C. SALARY RATE

1. This field will show the employee’s salary full rate (including locked-in premium/special pay, shift differential and plus salary) for all filled authorized and unauthorized positions. Premium pay on employee’s Employment History record may be included in the calculations. Multiple premium pay amounts may be applied to an employee’s record. Up to three (3) lines in the Earnings ID (EARN ID) column may display for premium pay data. Additional premium pay may display in the Special Pay (SPC) column.
2. For classes with monthly salary rates, the first step (of the minimum range class) will be assigned for all unfilled positions except:
 - a. those with fire mission rates (Department of Forestry and Fire Protection) or; those in 10/12 agencies that have 10/12 rates.
3. The salary rate will not be printed for:
 - a. terminated positions or;
 - b. unfilled positions with other than monthly salary rates

D. SALARY PER

Blank	-	No salary rate
A	-	Annual Rate
M	-	Monthly Rate

 - N - Non-Industrial Disability Leave
 - P - Punitive Suspension
 - T - Temporary Leave
 - W - Workman’s Compensation Temporary Disability Leave

L. ANNIVERSARY DATE

1. The employee’s valid anniversary date will be printed for all filled positions, both authorized and unauthorized.
2. An estimated anniversary date will be assigned if the employee’s record has an invalid anniversary date or if the position is unfilled.
 - a. January 2023 will be assigned to SISA classes, unless the employee’s salary rate is not the minimum step.
 - b. July 2023 will be assigned to non-SISA classes and to SISA employees not paid at the minimum step.
 - c. An asterisk (*) in the “EST” (Estimated Anniversary Date) column will be printed to indicate that the anniversary date is estimated.

M. ESTIMATED PERSONNEL YEARS

1. This is computed based on the fraction and termination date.
2. If a termination date appears, the estimate will not extend beyond that date.

N. ESTIMATED EXPENDITURES

1. Only those positions with monthly salary rates have estimated expenditures computed.
2. Computations are based on the salary full rate, fraction, anniversary date and termination date. Verify those records with locked-in premium pay to ensure proper computations.
3. Non-fire seasons are considered for Department of Forestry and Fire Protection fire mission employees.
4. Certain “HAM” classes (identified by “H” HAM Code) will not be projected at a rate higher than the maximum of Range A.
5. If a termination date appears, the projected expenditures will not extend beyond the termination date.

6. The anniversary date is ignored in the following cases:
 - a. employee has a red circle rate or;
 - b. employee has a plus salary or;
 - c. employee's salary rate is not a valid salary step.Estimated expenditures for these positions will be computed using the printed salary rate, without including any salary increases. Also, an asterisk (*) will be printed in the "NMS" (No MSA Considered) column.
7. Employees in 9/12 and 11/12 Pay Plans
Annual salary projections may be incorrect. As a result, annual projections may be overstated. Departments should verify the annual projections and correct as needed.
8. Vacant positions with termination dates may or may not correctly calculate. Verify these records.
