

PANDEMIC RENT COURT PROGRAM

Every day, right here in rent court, staff are onsite to assist tenants, landlords and judges resolve rent issues, settle debts and **keep tenants in their homes.**

Through the Pandemic Rent Court Program...

Baltimore City Community Action Partnership (BCCAP) staff are onsite to help complete rental assistance applications and check the status of existing rental assistance cases.

Judges can issue stays, continuances or stipulated dismissals to allow time for back-rent assistance to play out and for payments to be made.

Judges can refer tenants and landlords to BCCAP staff to apply onsite for back-rent assistance through the Baltimore City Eviction Prevention Program.
