

MLK DAY

OF SERVICE

MLK Day of Service Planting Monday, January 15th 9am -12pm 600 NE Roessel Rd. Belfair WA. 98528

The Martin Luther King, Jr., National Day of Service is a defining moment each year when Americans across the country step up to make communities more equitable and take action to create the Beloved Community of Dr. King's dream. While Dr. King believed the Beloved Community was possible, he acknowledged and fought for systemic change. His example is our call to action.

This year for the MLK Day of Service the Hood Canal Salmon Enhancement Group are calling all volunteers to join us on the Union River Estuary! We will be installing native trees and shrubs to create healthier, more resilient habitat for the several species of salmon who return to this estuary and river each year. Sign up on our website at <https://www.pnwsalmoncenter.org>! Drop-ins also welcome!
