

YMCA EARTH SERVICE CORPS

MLK Day Habitat Restoration

January 15th, 2024
10:00am-2:00pm

Get ready to ignite your passion for conservation! Join forces with YMCA Earth Service Corps, Highline High School Environmental Club, Dirt Corps, and young environmental enthusiasts from all over King County on January 15th, 2024 at the beautiful and valuable Crystal Springs Park in Tukwila. Get ready for a fun-filled day spent outside tackling noxious weeds like blackberry and ivy, learning about native plants and forest ecosystems, and making some new friends and lasting memories.

Transportation available at no cost from select locations and snacks and lunch will be provided! Register on our website or by following the QR code.
