MEMORANDUM

DATE: May 9, 2022

TO: **Board of Supervisors**

Bryan J. Hill J Kull County Executive FROM:

SUBJECT: Adoption of the FY 2023 Budget Plan

Attached for your review are the following documents:

- 1. Board revenue and expenditure adjustments approved at the Budget Mark-up on April 26, 2022 (Attachment I);
- 2. Resolution Adopting Tax Rates for FY 2023 (Attachment II);
- 3. Resolution Adopting a Vehicle Assessment Ratio of 85 Percent for FY 2023 (Attachment III);
- 4. FY 2023 Appropriation Resolution for County Agencies/Funds (Attachment IV);
- 5. FY 2023 Appropriation Resolution for School Board Funds (Attachment V);
- 6. FY 2023 Fiscal Planning Resolution (Attachment VI); and
- 7. FY 2023 General Fund Statement; FY 2023 General Fund Expenditures by Agency; FY 2023 Expenditures by Fund, Appropriated; and FY 2023 Expenditures by Fund, Non-Appropriated (Attachment VII).

The attachments noted above provide the official documentation of the adjustments made by the Board of Supervisors on April 26, 2022, associated with the markup of the FY 2023 budget. It should be noted that the Board took final action on the FY 2023-2027 Capital Improvement Program during budget mark-up on April 26.

The Real Estate Tax rate to be approved by the Board will decrease from \$1.14 per \$100 of assessed value to \$1.11 per \$100 of assessed value. The Personal Property Tax rate will remain at \$4.57 per \$100 of assessed value for most classes of personal property. However, an assessment ratio of 85 percent will be applied to vehicle values in order to provide relief to taxpayers and mitigate the otherwise unprecedented increases in vehicle taxes. In addition, the Stormwater fee will remain at \$0.0325 per \$100 of assessed value.

Approval of the FY 2023 Appropriation Resolutions, the FY 2023 Fiscal Planning Resolution, and the FY 2023 Resolution Adopting Tax Rates will result in a FY 2023 General Fund Disbursement level of \$4.77 billion, which is a decrease of \$112.03 million, or 2.3 percent, from the FY 2022 Revised Budget Plan and an increase of \$246.71 million, or 5.5 percent, over the FY 2022 Adopted Board of Supervisors Adoption of the FY 2023 Budget Plan Page 2

<u>Budget Plan</u>. The FY 2023 School transfer for operations totals \$2.28 billion. In addition, \$199.87 million is transferred to School Debt Service and \$15.6 million is transferred to School Construction. Total County transfers to support Schools are \$2.49 billion or 52.2 percent of total County Disbursements.

The net change in positions in FY 2023 is an increase of 107 positions over FY 2022. This increase is the result of the addition of positions associated with required staffing for new facilities, such as Scotts Run Fire Station; to address increasing workloads, such as in the Office of Capital Facilities; and to support Board priorities, such as affordable housing and the Diversion First and Language Access programs.

In summary, the Board actions that are necessary are as follows:

- Adopt the Resolution which sets the FY 2023 tax rates for real and/or personal property, and for the local districts (community centers and sanitary districts) (Attachment II);
- Adopt the Resolution which establishes a vehicle assessment ratio of 85 percent for FY 2023 (Attachment III);
- Adopt the FY 2023 Appropriation Resolution for County Agencies and Funds (Attachment IV);
- Adopt the FY 2023 Appropriation Resolution for School Board Funds (Attachment V);
- Adopt the FY 2023 Fiscal Planning Resolution (Attachment VI); and
- Amend the sewer ordinance as set forth in the materials submitted by staff to the board at the public hearing of April 12, 2022.

FY 2023 Budget Mark-Up

I will next outline and move approval of the budget proposal:

Add-On Adjustments

This package begins with a balance of \$96.42 million available after the adjustments included in the County Executive's Add-On package of April 14, 2022. This balance is attributable to updated revenue projections, consistent with adjustments included as part of the *FY 2022 Third Quarter Review* and reflect updated projections regarding Sales Tax, Transient Occupancy Tax, and Investment Interest.

Add-On Adjustments		
		FY 2023
FY 2023 Advertised Balance		\$79,257,068
Net Revenue Adjustments		\$17,159,457
	Subtotal:	\$17,159,457
Balance as of Add-On		\$96,416,525

Adjustments Recommended by Board

Overall, the Board of Supervisors was pleased with the investments included in the County Executive's FY 2023 Advertised Budget Plan, including the emphasis on employee pay and support for the Fairfax County Public Schools. With both full funding of the County's compensation program, as well as full funding of the School Board's transfer request included, the Advertised Budget provided a solid foundation with which this FY 2023 package begins.

The primary driver behind the adjustments recommended by the Board is the desire to provide tax relief for our residents and businesses. With rising home and vehicle values, as well as the continuing economic impact of the COVID-19 pandemic, the Board recognizes the importance of mitigating the impact of rising assessments and providing relief to taxpayers. This FY 2023 budget package provides tax relief in a number of ways.

The Advertised Budget included a reduction of over \$12 million in revenues based on the expanded Tax Relief program for seniors and people with disabilities approved by the Board in December of last year. The actions taken by the Board, effective January 1, 2022, increased gross household income limits from \$72,000 to \$90,000, increased asset limits from \$340,000 to \$400,000, and increased the number of acres excluded for purposes of eligibility. These changes are expected to result in an additional 2,000 residents becoming eligible for the program. The Board also proactively approved additional changes for tax year 2023, adding a 75 percent income eligibility bracket, capping total taxes relieved at 125 percent of the mean assessed value of Fairfax County homes, and creating a tax deferral option for seniors and people with disabilities.

The Advertised Budget also included over \$79 million in available balance, and this package utilizes this balance, plus more than half of the additional revenues identified at Add-On, to reduce the Real Estate Tax rate by 3 cents to \$1.11 per \$100 of assessed value. This change, which results in a revenue decrease of over \$88 million, results in an average tax bill increase of \$465, or 6.7 percent, over last year.

ATTACHMENT I

Additionally, this package does not assume the just under \$98 million in additional Personal Property Tax revenue – beyond that assumed in the Advertised Budget – that could be available based on rising vehicle assessments. The Board is supportive of staff's recommendation to base vehicle Personal Property Tax bills on 85% of a vehicle's assessed value, helping to mitigate the impact of rising car values due to supply chain issues caused by the pandemic. A resolution to officially adopt the 85% ratio will come before the Board as part of budget adoption actions.

Lastly, as a step targeted towards encouraging small business and economic development in the County, this package includes a reduction in the Machinery and Tools tax from \$4.57 to \$2.00 per \$100 of assessed value. Additionally, the Director of Tax Administration has reviewed the depreciation schedule and is in the process of advertising a proposed schedule to assess starting at 50% of the original cost for the first year of ownership and 10% less each succeeding year, until it reaches a floor of 10% in the fifth year. After a public comment period, which is scheduled to end May 25, 2022, Tax Administration will take the appropriate steps to review the feedback and implement changes to the depreciation schedule. Both the reduction in the tax rate, as well as changes to the depreciation schedule, will allow Fairfax to better compete with surrounding jurisdictions and help to attract and keep vibrant local businesses in the County.

In total, more than \$199 million in revenue reductions or unrecognized revenue is included in this budget to support tax relief efforts. As the revenue impact for both the expansion of the Tax Relief program for seniors and those with disabilities, as well as the reduction in the Machinery and Tools Tax, are estimates, staff will provide updated revenue projections as part of future budget quarterly reviews.

As noted in the Board's actions on the FY 2022 Third Quarter Review, another priority is continued investment in affordable housing. The Board has set an aggressive goal to expand the availability of affordable housing in the County, and it is imperative that appropriate resources are provided to ensure that the County can stay on track towards accomplishing its goal. In working with the Fairfax County School Board, \$10 million has been identified and can be targeted towards this joint priority. These funds are the result of updated FCPS budgetary projections based on more positive economic indicators and anticipated state budget actions. Staff will continue to monitor state action on the budget and will return to the Board with recommendations to address any unforeseen impacts to the County or Schools budgets as part of the FY 2022 Carryover Review.

ATTACHMENT I

While the compensation adjustments included in the County Executive's proposed budget were significant, with average pay increases of 7.86 percent for uniformed public safety employees and 6.16 percent for non-uniformed employees, the Board recognizes that recruitment and retention challenges remain. This is especially true for our public safety agencies, who are struggling to fill the positions required to meet minimum staffing requirements. When new employees are brought on-board, they are hired at the same level as more tenured staff, contributing to elevated turnover at the lower ranks in our public safety agencies. To address these compression issues and incentivize employees to remain with the County, the Board has included \$6.1 million in this package to advance eligible uniformed employees in the Police Department, Fire and Rescue Department, and Office of the Sheriff one additional step on their respective pay plans. To qualify, employees must have been hired on or before June 30, 2021, have received a satisfactory performance evaluation in the current fiscal year, and be a uniformed public safety employee on the O, F or C pay scales. It should be noted that this adjustment does not impact merit and longevity increases already included in the Advertised Budget. This adjustment, which targets job classes that have seen higher levels of resignations, almost exclusively benefits employees at the first two ranks in the respective departments. In total, uniformed employees who qualify for this adjustment as well as a step or longevity increase will see total compensation increases of up to 14.01% in FY 2023.

As part of community feedback on the budget, the Board heard from residents concerned about County support for our Parks System. The County Executive's proposal included investments in Parks, including funding for a pilot equity program, and included recommendations to adjust the upcoming bond referendum schedule for Parks – and other County agencies – to address a backlog of unsold bonds. These issues are addressed more substantively in the Budget Guidance package, but it is important to note this Board's strong and significant support of the Parks System. County support for Parks extends beyond only the agency's General Fund budget. The County provides funding for debt service payments for Park bonds and fringe benefit costs for General Fund employees, as well as supporting environmental and capital maintenance projects. Support in the current fiscal year alone totals over \$80 million. The Board is committed to working with the Park Authority Board to address needs and provide necessary funding. As an example, this package includes funding of \$751,954 and three new positions to support the Parks' natural resources sustainability efforts to help maintain the system's actively-managed acres.

The Board also heard commentary from non-profits concerned about rising personnel and operating costs and the budgeted contract rate adjustments included in the proposed budget. The Board values our non-profit partners and recognizes the key role that they play in providing necessary services to our residents. As a result, \$825,000 in additional funding is included as part of this package, representing a 50% increase over the funds included in the proposed budget for contract rate increases for direct service providers in health and human services.

This package also includes the removal of an additional 6 positions and \$804,258 in funding that was initially proposed to expand staffing in the Office of the Commonwealth's Attorney. Over the past 2 years, the County has increased staffing in this office by 38 positions and has established a plan to phase-in additional support over the coming years. This adjustment represents an effort to slow the pace of this phase-in, accounting for the urgent vacancy level which currently stands at approximately 10%. Additional resources will be provided to support the Office in future years to continue to address workload concerns.

ATTACHMENT I

Lastly, this package provides additional support in two other areas. First, funding of \$250,000 is provided to ArtsFairfax to supplement the organization's existing grant program for the arts. This funding will help to assist arts organizations that have been negatively impacted by the pandemic but may have been unable to access other assistance. Additional direction and information regarding the County's investments in ArtsFairfax are included later in the Budget Guidance section. Second, this package provides funding of \$180,000 and one new position for the Department of Economic Initiatives to develop a platform to assist small businesses in navigating available resources to help them succeed.

Funding Adjustments Recommended by Board	
	FY 2023
Balance as of Add-On	\$96,416,525
Reduce the Real Estate Tax rate by 3 cents to \$1.11 per \$100 of assessed value	(\$88,110,447)
In collaboration with the Fairfax County School Board and with their support, reduce the School Operating transfer by \$10,000,000 based on more positive economic indicators and anticipated state budget actions	\$10,000,000
Redirect above amount to the County's affordable housing initiative	(\$10,000,000)
To address compression issues caused by hiring practices necessary to address uniformed public safety recruitment challenges, advance eligible employees hired on or before June 30, 2021 one additional step in July	(\$6,103,382)
Reduce the County's Machinery and Tools tax rate to \$2.00 per \$100 of assessed value (from \$4.57) and direct the Department of Tax Administration to review the depreciation schedule to potentially assess at 50% of the original cost for the first year of ownership and 10% less each succeeding year, until it reaches a floor of 10% in the fifth year	(\$1,000,000)
Increase funding allocated for contract rate increases for direct service providers in health and human services	(\$825,000)

Provide funding and one new position to the Department of Economic Initiatives for small business and start-up ecosystem support	(\$180,000)
Subtotal:	(\$96,416,525)
Final Remaining Balance	\$0

As a result of these changes, we have a balanced FY 2023 budget.

As noted earlier, as part of this package the Real Estate Tax rate is reduced from \$1.14 to \$1.11 per \$100 of assessed value. However, most taxes and fees in the FY 2023 budget remain unchanged, including:

• Maintaining the Leaf Collection rate at \$0.012 per \$100 of assessed value.

ATTACHMENT I

- Maintaining the Stormwater Services district tax rate at \$0.0325 per \$100 of assessed value.
- Maintaining the Phase I Dulles Rail Transportation Improvement District tax rate at \$0.09 per \$100 of assessed value
- Maintaining the Phase II Dulles Rail Transportation Improvement District tax rate at \$0.20 per \$100 of assessed value
- Maintaining the Route 28 Highway Transportation Improvement District tax rate at \$0.17 per \$100 of assessed value
- Maintaining the Reston Service District tax rate at \$0.021 per \$100 of assessed value
- Maintaining the Tysons Service District tax rate at \$0.05 per \$100 of assessed value

In addition, this budget does contain some increases in Refuse and Sewer charges, including:

- An increase in the Refuse Collection fee from \$400 to \$475 per household
- An increase in the Refuse Disposal fee from \$66 to \$70 per ton
- An increase in Sewer Service Charges from \$7.72 to \$8.09 per 1,000 gallons
- An increase in the Sewer Service Base Charge from \$36.54 to \$40.14 per quarter
- An increase in the Sewer Availability Charge from \$8,507 to \$8,592

Therefore, having provided public notice and conducted a public hearing as required by Virginia law, <u>I</u> move approval of the FY 2023 Budget as Advertised, with the changes as outlined above, and required Managed Reserve adjustments. The tax and fee adjustments become effective on and after July 1, 2022, unless otherwise noted. These actions result in a balanced budget for FY 2023.

FY 2023 RESOLUTION ADOPTING A VEHICLE ASSESSMENT RATIO OF 85 PERCENT

At a regular meeting of the Board of Supervisors of Fairfax County, Virginia, held in the Board Auditorium in the Government Center at 12000 Government Center Parkway, Fairfax, Virginia on Tuesday, May 10, 2022, at which meeting a quorum was present and voting, the following resolution was adopted:

WHEREAS, the COVID-19 pandemic has impacted worldwide supply chains and manufacturing of technological components, which in turn has limited the short-term availability of new and used cars for sale and, in the opinion of the Director of the Fairfax County Department of Tax Administration (DTA), resulted in current, short-term selling prices for many vehicles that exceed their actual fair market value; and,

WHEREAS, basing assessed values on the current, short-term selling price of those vehicles would result in assessments above fair market value and unprecedented assessment increases; and,

WHEREAS, these unprecedented increases – combined with the declining impact of state Personal Property Tax Relief Act (PPTRA) of 1998 funds – would have a significant impact on personal property tax bills; and,

WHEREAS, many classifications of vehicles in Fairfax County have historically been assessed at 100 percent of the clean trade-in value stated in the National Automobile Dealers Association (NADA) pricing guide published by J.D. Power as of January 1 each year, in accordance with Virginia Code Section 58.1-3503(A); and,

WHEREAS, Section 58.1-3503(B) of the Virginia Code allows the Director of the DTA, with the concurrence of the Board of Supervisors, to apply an assessment ratio to that pricing guide in order to ensure the assessments do not exceed actual fair market value due to unusual or extenuating circumstances and when an assessment ratio lower than 100 percent may reasonably be expected to determine actual fair market value; and

WHEREAS, such a ratio must be applied uniformly by personal property classification as set forth in Virginia Code Section 58.1-3503(A); and,

WHEREAS, the Director of the DTA, with the concurrence of the Board of Supervisors, finds that using an assessment ratio of 85 percent may reasonably be expected to determine actual fair market value of vehicles as classified under Virginia Code Section 58.1-3503(A), subsections (3)(4)(5)(7)(8)(9) and (10) for tax year 2022, which will result in a reduction in the assessed vehicle values and vehicle tax bills, and provide relief to taxpayers and mitigate the otherwise unprecedented projected increases in vehicle taxes; now, therefore be it

RESOLVED that in accordance with Virginia Code Section 58.1-3503(B), the Board of Supervisors concurs with the Director of DTA's use of an 85 percent

assessment ratio, to be applied for Tax Year 2022 (Fiscal Year 2023), beginning January 1, 2022 and ending December 31, 2022, for vehicles classified under Virginia Code Section 58.1-3503(A), subsections (3)(4)(5)(7)(8)(9) and (10).

¹ The FY 2022 Revised Budget Plan reflects the actions taken by the Board of Supervisors on April 26, 2022, on the FY 2022 Third Quarter Review. Subsequent out-of-cycle adjustments will be reflected in the FY 2023 Adopted Budget Plan volumes.

² As part of the <u>FY 2023 Adopted Budget Plan</u>, Agency 31, Land Development Services, is moved from the General Fund to a new Fund 40200, Land Development Services, to provide greater transparency in the use of fees charged by LDS. This change results in a reduction of \$42.62 million to the General Fund expenditures and associated revenues as all activity related to the agency is transferred to the new fund.

³ Pending School Board approval, FY 2023 expenditures for Fund S10000, Public School Operating, are reduced from the amount shown in the School Board's Advertised Budget to offset the discrepancy between the adopted Transfer Out from the General Fund to Fund S10000 and the Transfer In from the General Fund reflected in the School Board's Advertised Budget. Final adjustments will be reflected at the FY 2022 Carryover Review.

⁴ Total Appropriated Funds Expenditures are reduced by Internal Service Fund Expenditures, as the amounts are already included.
