## SUMMARY OF KEY DISCUSSION POINTS

The Public Safety (PS) Committee held a worksession on April 29, 2021 to review and make recommendations on each item of the agreement between the Executive and the MCVFRA that is subject to Council review for FY22. The Committee voted (3-0) to recommend approval of the following provisions for FY22:

1. *Association Operating Funds.* The Agreement requires the County to transfer \$281,178 to the MCVFRA to serve as the LFRD's authorized representative on July 1, 2022, representing an increase of \$26,141 over the amount provided in both FY20 and FY21 for FY22.
2. *Training.* The Agreement requires the County to provide \$10,000 for training and \$5,000 for Pro-Board certification in FY22 for a total of \$15,000.
3. *Nominal Fee.* Article 12 of the Agreement raises the nominal fee payable to each eligible volunteer in FY20 from \$455 to \$525 (15%) for tier 1 and from \$700 to \$900 (28.6%) for tier 2. OMB estimated the cost of the nominal fee in FY22 would be \$784,050, or an increase of \$119,935 over the FY21 amount.

4. *Volunteer Basic Orientation Course.* Article 22 of the Agreement requires the County to fund a volunteer basic orientation course in FY22 at a total cost of \$21,000. This is the same as the FY21 cost.

The Committee further recommended (3-0) the approval of the following provision, subject to the Executive’s submission to the Council of appropriate implementing legislation prior to May 4, 2021:

5. *Length of Service Awards (LOSAP).* The Executive agreed to submit legislation to the Council providing a 2.5% increase in the benefits under the LOSAP for FY22 and restoring the previously Council rejected 3% increase for FY21. The increased cost of this would be \$60,047 in FY22. The projected total cost for LOSAP with both increases is \$1.447 million in FY22. The Executive has not yet submitted legislation to the Council to implement this provision or a supplemental appropriation for FY21.

5. *Length of Service Awards (LOSAP).* The Executive agreed to submit legislation to the Council providing a 2.5% increase in the benefits under the LOSAP for FY22 and restoring the previously Council rejected 3% increase for FY21. The increased cost of this would be \$60,047 in FY22. The projected total cost for LOSAP with both increases is \$1.447 million in FY22. The Executive has not yet submitted legislation to the Council to implement this provision or a supplemental appropriation for FY21.

### **Background**

Agreement with MCVFRA. County Code §21-6(p) requires the Executive to submit to the Council any element of an agreement that requires an appropriation of funds, may have a future fiscal impact, is inconsistent with any County law or regulation, or requires the enactment or adoption of any County law or regulation. Section 21-6(q) directs the Council to notify the parties within 60 days if it disapproves an agreement in whole or in part. The Council may by resolution extend the time for action.<sup>1</sup>

On April 16, 2021, the Executive submitted a negotiated agreement between the Executive and the MCVFRA, effective July 1, 2020 through June 30, 2023, for Council review and action. The Council must review and act on each provision that requires an appropriation of funds in FY22. The Council rejected the provisions that would have increased the nominal fee, increased the benefits under the Length of Service Awards Program (LOSAP), and increased the Association Funding in FY21 as part of the Council's same services budget. See Resolution No. 19-445 at ©44-45.

The Executive Branch responded to questions from Council staff in two separate email messages at ©39-40 and ©41-43. The attached draft resolution at ©3-4 is necessary for the Council to act on the provisions requiring an appropriation of funds or a change in law in the Agreement for FY22.

History of the Volunteers' Representation. The current structure of the Montgomery County Fire and Rescue Association was established by Bill 36-03, which took effect on January 1, 2005. One of the most innovative changes in Bill 36-03 was the establishment of a process for Local Fire and Rescue Departments (LFRD's) to select an authorized representative to represent their interests, and a requirement for the Fire Chief to negotiate in good faith with the authorized representative on certain issues affecting LFRD's and their volunteers. The rules for the selection of the representative and the direct negotiation process are included in County Code Section 21-6. The process was intended to be like collective bargaining with career employees.

The LFRD's selected the Montgomery County Volunteer Fire and Rescue Association (MCVFRA) as their representative. On January 30, 2007, the Council approved the first agreement between the County Government and MCVFRA.

## **Discussion**

### **What other County funding is available to the MCVFRA?**

At this juncture, the LFRDs have two steady and significant sources of publicly funded revenue: the EMST funding and the State Senator Amoss Grant funds. The projected Amoss Grant funding for FY22 is not known yet, but funding was \$2,041,846 in FY21. EMST funding dedicated to LFRDs and other volunteers is estimated at \$2.803 million. Between the two, the LFRDs as a group are expected to receive approximately \$4.8 million in FY22. The practice of MCFRS budgeting for these items predates the EMST Reimbursement Program law and the subsequent distribution to the LFRDs. It is important to note that in addition to these designated funds, County general funds support station operations, such as fuel, utilities, vehicle maintenance, and basic personal gear and equipment needs, regardless of personnel status.

### **LFRD EMST funding**

Bill 7-13, enacted by the Council on May 14, 2013, signed into law by the Executive on May 23, 2013, and effective on August 22, 2013, required that the LFRDs receive a portion of the net revenues received by the County from the Emergency Medical Services Transport Insurance Reimbursement Program (EMST). The law requires:

15% of the net Emergency Medical Services Transport Insurance Reimbursement Program revenue must be allocated under a procedure specified in the annual operating budget resolution for the benefit of local fire and rescue departments for:

- (i) replacement or augmentation of apparatus owned by a local fire and rescue department;
- (ii) facilities owned by a local fire and rescue department;
- (iii) training for volunteers;
- (iv) gear and equipment for volunteers;
- (v) administrative staff to support a local fire and rescue department;
- (vi) volunteer recruitment and retention; and
- (vii) volunteer stand-by support.

The Executive's FY22 Recommended Budget estimates EMST funding for LFRDs to be \$2.803 million. The law specifies that the LFRDs receive 15% of actual receipts, net, of program implementation costs, so this amount is a budget estimate.

**What happened in FY21 and how is that reflected in the Executive's FY22 budget?**

The Council rejected the negotiated increases for the 3 largest items in the Agreement for FY21 – the Nominal Fee, the Association Funding, and LOSAP Benefits. See Council Resolution No. 19-445 at ©44-45. After the Council indicated its intent to reject the increases in these items, the Executive and the MCVFRA entered into an Agreement that requires the Executive to submit a supplemental appropriation to fund the rejected increases if:

1. the County's revenue projections for FY21 are more than \$20 million greater than the FY21 approved revenue in the Council's FY21 budget;
2. the Executive submits a supplemental appropriation to the Council for a GWA or differential pay adjustment for IAFF members; or
3. the Council approves tax-supported spending in excess of the approved tax-supported budget excluding spending responding to the Pandemic by at least \$200,000.

This revision to the Agreement was not presented to the Council for approval in FY20 or FY21 since it was speculative and did not require an appropriation of funds or a change in law. To date, the Executive has not submitted a supplemental appropriation to fund the FY21 rejected MCVFRA increases despite sending a supplemental appropriation to the Council to approve a GWA for IAFF members of 1.5% for FY21.<sup>2</sup> The Council approved the supplemental appropriation for a 1.5% GWA for IAFF members as part of a separate agreement to end the pandemic differential pay for IAFF members.

County Executive

**MEMORANDUM**

April 16, 2021

TO: Tom Hucker, Council President

FROM: Marc Elrich, County Executive 

SUBJECT: Unrepresented Salary Schedules / MCVFRA Agreement

On March 31, 2021, the County Executive submitted to the County Council the negotiated agreements with the three collective bargaining organizations representing County employees – the IAFF, the FOP, and MCGEO. Included within each submission packet was a salary schedule articulating the resulting salaries from the negotiated increases for the bargaining unit members. For your consideration, as part of the FY22 budget, we are submitting the compensation adjustments/salary schedules for the unrepresented employees, including GSS, MLS, PLS, Fire/Rescue Management, Uniformed Correctional Management, Deputy Sheriff Management, and Medical Doctors.

I also submit a copy of the current MCVFRA agreement, which include terms with associated costs that were included in the recommended budget. Accordingly, although there was no reopener with respect to the direct bargained agreement with the MCVFRA, the terms agreed to during the last round of bargaining which are applicable during FY22 and which require funding must be submitted to the County Council. Specifically, the following terms have an economic impact or a potential economic impact:

- Article 12 – Nominal Fee
- Article 16 – Training
- Article 22 – Volunteer Basic Orientation Course
- Article 25 – LOSAP
- Side Letter – Association Funding and Vehicle

## PREAMBLE

On May 5, 2020, the County Council rejected three terms in the proposed agreement between the County and the Association. The parties agree that, if the County Council rejects the renegotiated agreement for FY21, the County Executive will timely submit a supplemental appropriation to the County Council under the following circumstances:

- The County's total revenue and revenue projections for FY21, as determined by the Montgomery County Department of Finance and Office of Management and Budget, are in excess of the FY21 Council approved revenue figures by at least \$20 million. The County will review the revenue and revenue projections at the end of each quarter for the conditions above. This review will be completed no later than one month after the conclusion of each quarter and the results will be shared with the Association.
- The County Executive submits a supplemental appropriation request for a general wage adjustment and/or differential pay adjustment increase to bargaining unit represented career fire fighters in FY21; or
- The Council approves tax-supported spending in excess of the approved FY21 tax-supported budget (excluding spending related to a response to COVID-19) by at least \$200,000.

## Article 1 - RECOGNITION

**Section One:** The Montgomery County Government (County) recognizes the Montgomery County Volunteer Fire and Rescue Association (MCFVRA or Association) as the duly authorized representative of the Local Fire and Rescue Departments (LFRD) in the direct negotiation process set forth in Chapter 21-6 of the Montgomery County Code.

**Section Two:** For the purposes of this Agreement, a volunteer means any person who is a member of a LFRD and has completed **the previous six (6) months as a member of any LFRD.**

## Article 2 - NON-DISCRIMINATION

**Section One:** Neither the County nor the Association shall discriminate against any individual because of his or her volunteer status in any LFRD. Further, all terms and conditions contained in this agreement shall be applied to all volunteers without discrimination on the basis of race, color, sex, marital status, religion, political affiliation, country of origin, sexual orientation, disability or genetic information.

**Section Two:** Active volunteers as defined in section 21-21(a) of the Montgomery County Code shall be eligible to apply for "employees only" County position vacancies.

**Section Three.** The County supports the delivery of fire, rescue and emergency services through the Montgomery County Fire and Rescue Service, including the local fire and rescue departments, operating under County policies and regulations implemented by the Fire Chief. This partnership ensures that service is delivered within a County-wide context and preserves community-based perspectives of the local fire and rescue departments. County officials, employees, volunteers, and local fire and rescue departments should actively encourage a combined service delivery system provided by local and County resources and promote equal opportunities and fair treatment for all personnel. The County recognizes and respects the contributions of volunteers over many decades that have protected life and property in the County and provided vital and generous private support for an essential public activity. The County acknowledges the years of volunteer effort, risk, and sacrifice; the time and money devoted to purchasing equipment, apparatus, and facilities; and the value to our community of opportunities for public service and fellowship. The County vigorously supports the continuation and expansion of volunteer participation to provide fire, rescue, and emergency medical services in the most cost effective way and to encourage citizen participation in community services. The County and MCFVRA recognize the importance of and promote an atmosphere of integrity and mutual respect among all personnel.

### **Article 3 - MANAGEMENT RIGHTS**

**Section A.** Issues subject to negotiating under this Agreement, as specified in Chapter 21-6(f) of the Montgomery County Code are:

- (1) methods and mechanisms for volunteer firefighters and rescuers participation in MCFRS policy decisions;
- (2) representation of volunteer firefighters and rescuers on MCFRS committees and task forces;
- (3) volunteer firefighter and rescuer recruitment, selection, and recognition;
- (4) procedures used to evaluate and discipline volunteer firefighters and rescuers;
- (5) protection of volunteer firefighters and rescuers from harassment and discrimination;
- (6) LOSAP and other benefits for volunteers, and the administration of any volunteer benefit;
- (7) the equitable allocation of appropriated funds and equipment among paid and volunteer personnel; and
- (8) any other issue that pertains only to volunteer firefighters and rescuers.

**Section B.** Issues not subject to negotiating under this section are:

- (1) budgets and expenditures;
- (2) MCFRS emergency and routine operations; and
- (3) any other issue not specified as subject to negotiating.

The issues specified in section B are reserved as management rights.

### **Article 4 - VOLUNTEER PARTICIPATION**

The County recognizes that the contributions of all volunteers are a valuable asset. The County must not prohibit or discourage any employee from providing volunteer services for a local fire and rescue department, except where prohibited or restricted by the provisions of section 21-17 of the Montgomery County Code, or by regulations adopted under section 21-17(b) of the Montgomery County Code.

### **Article 5 - ORGANIZATIONAL SECURITY**

**Section One.** The County agrees to provide **100** copies of the contract in booklet form to be provided to the Association within ninety days of the effective date of this Agreement for each LFRD and the MCVFRA Office. An electronic copy shall also be maintained on the MCFRS and OHR website. The cover page of the Agreement shall be designed by mutual agreement between the parties.

**Section Two.** The County and the MCVFRA will determine the size and location of an "orange style" MCVFRA decal which will be displayed on each side of County owned apparatus used in providing fire, rescue and emergency medical services that are staffed by bargaining unit members. The decals will be provided by the Association.

**Section Three.** Semi-annually MCFRS will provide the MCVFRA with a word file with all the following information for all LFRD/MCFRS volunteers: name, address, telephone number, LFRD, date of membership, date of removal, current years of active (LOSAP) service, and status of nominal fee for the previous fiscal year. These semi-annual lists will be provided to the MCVFRA by approximately March 1 and September 1 each calendar year.

## **Article 6 - RECORDKEEPING**

For the purpose of maintaining timely and accurate records for volunteers, each LFRD must complete and submit a Personnel Action Form (PAFV), approved by the County and the Association, at the time an individual becomes an active volunteer and when an active volunteer leaves the LFRD, whether voluntary or involuntary. This PAFV shall be submitted by the LFRDs to the County in paper form until such time as the County establishes a system for electronic submission.

## **Article 7 - DISCIPLINARY ACTION PROCEDURES FOR LFRD VOLUNTEERS**

**Section One. Intent.** This Article sets forth procedures used to discipline volunteers. Nothing in this Article shall in any way affect the authority of the Fire Chief under Chapter 21 of the Montgomery County Code.

**Section Two. Purpose.** Per Section 21-3(g) of the Montgomery County Code, the Fire Chief may take disciplinary action against any LFRD volunteer in the Service for violating any County law, regulation, policy, or procedure, or any lawful order of the Chief or the Chief's designee. Disciplinary action under this subsection may include restriction or prohibition of a volunteer from participation in fire and rescue activities. The Chief must not take any action involving a volunteer of a local department, except when the Chief finds that immediate action is required to protect the safety of the public or any employee or volunteer, unless the Chief finds that the local department has not satisfactorily resolved the problem in a timely and effective manner. Any finding by the Chief under the preceding sentence is not subject to appeal. Each volunteer must give the Chief any information, not otherwise legally privileged, that the Chief reasonably needs to administer Chapter 21.

**Section Three. Procedure for Notifying the Fire Chief of Alleged Misconduct.**

- (a) To enable the Fire Chief to review an LFRD's resolution of a disciplinary matter under Section 21-3(g) of the County Code, and to assist the Fire Chief in determining if the matter has been satisfactorily resolved, the procedure in Section 3(a)(1) through Section 3(a)(3) must be followed.
1. Each LFRD President or designee shall immediately notify the Fire Chief or designee of any alleged serious violation. A serious violation involves a threat to the public or personnel safety, or undermines the public trust and confidence in the fire and rescue service. A serious violation includes an egregious: negligent act or omission; theft of property; felony; assault; battery; or other violation of law, County policy, MCFRS policy or any lawful order of the Fire Chief. Notwithstanding Section 3(a) (2) below, the Fire Chief may proceed with disciplinary action directly against the individual(s) in question consistent with section 21-3(g) of the County Code.
  2. Each LFRD President or designee must take action on, and compile a written record of each disciplinary action taken against a volunteer. LFRDs must satisfactorily resolve any allegation of a serious violation by one of its volunteers within 60 days of receiving notification of its occurrence, unless the Fire Chief extends the time period for just cause. When an LFRD has taken a disciplinary action involving a serious violation as defined in Section 3(a)(1) above, the LFRD President must notify the Fire Chief or designee in writing within 48 hours of taking such action. The LFRD President or designee must forward a copy of such disciplinary action of a serious violation to the Fire Chief within seven (7) County business days of the issuance of such an action. In cases where the Fire Chief has taken disciplinary action, the LFRD need not compile a written record of the disciplinary action. The Fire Chief must forward a copy of such disciplinary action to the LFRD President or designee within seven (7) County business days of the issuance of such an action.
  3. Each LFRD must provide the Fire Chief or designee with any information that is reasonably required to evaluate the propriety or timeliness of an LFRD's disciplinary action.

**Section Four. Fire Chief's Discipline.**

- a. The Fire Chief must apply discipline progressively. Progressive discipline does not require the Fire Chief to apply discipline in a particular order or to always begin with the least severe penalty. In some cases involving a serious violation as defined in Section 3 (a) (1), the Fire Chief may bypass progressive discipline and impose another more severe disciplinary action up to and including dismissal.
- b. Discipline must not be applied in an arbitrary or capricious manner and must be for cause.
- c. The parties understand that there is a requirement of confidentiality involved in the disciplinary process. Neither party shall disseminate information pertaining to disciplinary actions except on a need to know basis.
- d. Once the Fire Chief has determined there is cause to discipline a volunteer, the Fire Chief agrees to give due consideration to the relevance of any mitigating and/or aggravating factors, in deciding the nature and level of disciplinary action appropriate, including, but not limited to:
  1. the nature and seriousness of the offense, and its relation to the volunteer's duties, position, and responsibilities, including whether the offense was intentional or technical and inadvertent, or was committed maliciously or for gain, or was frequently repeated;
  2. the volunteer's job level and type of employment, including his or her supervisory or fiduciary role, the frequency and level of his or her contact with the public, and the prominence of his or her position;
  3. the volunteer's past MCFRS disciplinary record;
  4. the volunteer's past work record, including his or her length of service to the Department and LFRDs, his or her performance, his or her demonstrated ability to get along with fellow MCFRS members, and his or her dependability;
  5. the effect of the offense upon the volunteer's ability to perform at a satisfactory level;
  6. the consistency of the penalty with those imposed upon other MCFRS members with similar personnel history for the same or similar offense(s);

  9. the potential for rehabilitation;
  10. mitigating circumstances surrounding the offense, such as unusual job tensions, personality conflicts, mental impairment, harassment, bad faith, or malice or provocation on the part of others involved in the matter; and,
  11. the potential adequacy and effectiveness of alternative sanctions to deter such conduct in the future by the volunteer or others.

#### **Section Five. Disciplinary Process.**

The parties recognize the importance of completing an IAD investigation in as timely a manner as possible. However, when a volunteer has been the subject of an IAD investigation, and a determination is made not to propose a disciplinary action, the designated proposing official will issue a letter indicating that the volunteer has been cleared or that the investigation has been closed without action. Such letter shall be issued to the volunteer subject to the investigation or proposed disciplinary action as soon as practicable, normally within thirty (30) calendar days of when the case involving the volunteer is closed. The letter will not be placed in the volunteer's MCFRS Operating Record, unless the volunteer indicates in writing that he or she prefers that the letter be contained in his or her MCFRS Operating Record.

a. **Statement of Charges.**

1. Before taking a disciplinary action, the Fire Chief shall provide the individual a written Statement of Charges that discloses:
  - A. the proposed disciplinary action;
  - B. the specific reasons for the proposed disciplinary action, including the dates, times, and places of events and names of others involved, if known, as appropriate;
  - C. that the individual may respond orally, in writing, or both;
  - D. to whom to direct any response;
  - E. the deadline for submitting a response (at least 15 County business days); and
  - F. that the volunteer may be represented when responding to the statement of charges; and,
  - G. that the volunteer has a right to request a Pre-Discipline Settlement Conference.

A copy of the statement of charges shall be forwarded to the LFRD President or designee. The Fire Chief or designee will employ reasonable means to ensure in-hand delivery of the statement of charges to the volunteer.

2. The Fire Chief must allow the individual at least 15 County business days after receiving the Statement of Charges to respond. The volunteer has the right to request an extension of time on behalf of the volunteer to respond to the Statement of Charges. Such requests shall not be unreasonably denied.
3. If the individual responds to the Statement of Charges, the Fire Chief must consider the response, and decide whether to:
  - A. proceed with the proposed disciplinary action;
  - B. not take any disciplinary action;
  - C. take a different disciplinary action; or
  - D. remand to the LFRD.
4. If additional information is obtained and developed during this process before a Notice of Disciplinary Action is issued, the Fire Chief may issue a new Statement of Charges if the Fire Chief determines that a more severe disciplinary action other than that stated in the original Statement of Charges is appropriate.
5. In the event the Fire Chief proposes a disciplinary action and after a statement of charges is issued per the procedures listed above, but before the notice of disciplinary action is issued, the parties may voluntarily agree to a Pre-Disciplinary Settlement Conference. The Fire Chief or his/her designee and his/her representative and the individual and his/her representative shall attend such conference. The parties shall discuss the individual's response to the statement of charges and the possibility of resolution. Settlement discussions are confidential. If the parties agree to a settlement and discipline is included in that settlement, the Notice of Disciplinary Action shall be issued and no appeal may be filed.

b. **Notice of Disciplinary Action.** If the Fire Chief determines to proceed with discipline, and after following section 5 (a) (1) – (4), the Chief must issue a Notice of Disciplinary Action. A Notice of Disciplinary Action must include:

1. the type of disciplinary action that will be taken;
2. the date on which the disciplinary action will take effect;

5. notice of the right to appeal the disciplinary action to the Merit System Protection Board; and
6. the deadline for filing an MSPB appeal.

A copy of the notice of disciplinary action shall be forwarded to the LFRD President or designee.

c. Access to Records:

1. upon issuance of a Statement of Charges, the County shall provide the volunteer with:
  - A. witness and/or complainant statements used in connection with any charge. These statements will be sanitized (address and phone number deleted.)
  - B. a copy of the investigation file, related to the volunteer's proposed discipline, including any and all transcripts; and,
  - C. any and all exculpatory information in the possession of the County.

All information shall be provided timely and free of charge.

**Section Six. Immediate Removal of LFRD Volunteer.** Per Section 21-3(g) of the Montgomery County Code, the Fire Chief may immediately relieve a volunteer from duty and prohibit their presence at any MCFRS premises or activity. The Chief must not take any action involving a volunteer of a local department, except when the Chief finds that immediate action is required to protect the safety of the public or any employee or volunteer, unless the Chief finds that the local department has not satisfactorily resolved the problem in a timely and effective manner. Where the Fire Chief exercises such authority, the Fire Chief or his/her designee shall notify the LFRD President or designee in writing within 24 hours of taking such action and include a reason for the Chief's action.

- (a) Administrative Status: Administrative status is a non-punitive status to relieve a member from duty and participation in MCFRS activities, which the Fire Chief or designee and/or LFRD department head or designee may grant when there is an investigation of incidents or charge when immediate removal is necessary.

**Administrative status is for allegations of serious violations only.**

**The parties recognize the importance of completing an investigation of a volunteer in as timely a manner as possible. This is especially true for investigations in which the volunteer has been placed in a non-punitive Administrative status. The member or their representative may request a reevaluation of the need to remain on Administrative status every 60 days or whenever there is a substantive change in the investigation.**

**While on administrative status, a member is prohibited from all MCFRS work sites and activities. At the discretion of the Fire Chief, a member may be permitted to attend training, attend meetings, and accumulate time in service, rank and LOSAP.**

**Section Seven. Resignation after Disciplinary Action is Initiated.** If an individual resigns after disciplinary action has been initiated, the Fire Chief may keep a record of the individual's separation and its circumstances and indicate on the individual's separation papers that:

- a. disciplinary action is pending, including the Fire Chief's determination of the appropriate disciplinary action, if any;
- b. the individual will be issued a notice of disciplinary action upon reinstatement to any position within MCFRS without right of appeal.

**Section Eight. Appeals of certain disciplinary actions.** Per Chapter 21-7 of the Montgomery County Code, a volunteer firefighter or rescuer aggrieved by an adverse final action of the Fire Chief involving the removal, demotion, or suspension of, or other disciplinary action applied specifically to, that individual may appeal the action within 30 days after the action unless another law or regulation requires that an appeal be filed sooner, to the Merit System Protection Board. An appeal must not stay the disputed action. Any aggrieved party may appeal the decision of the Board to any court with jurisdiction under the rules governing appeals from administrative agencies, and may appeal any adverse decision of that court to the Court of Special Appeals. Further, all provisions of Chapter 21-7 are hereby retained in full force and effect.

**Section Nine. Disciplinary Examinations**

- A. The member shall be advised of their right for representation at any examination conducted by a representative of the County in connection with an investigation or complaint if:
  - 1. The member reasonably believes that the examination may result in disciplinary action against the member; and

- B. If a member requests to be represented at such an examination, the County will delay the examination for a reasonable period of time, to permit the member the opportunity to arrange representation.
- C. Prior to an examination, the County agrees to inform the volunteer's representative of the subject of the examination. The representative must also be allowed to speak privately with the volunteer before the examination. The volunteer's representative must be allowed to speak during the interview. However, the volunteer's representative does not have the right to bargain over the purpose of the interview. The volunteer's representative can, however, request that the County representative clarify a question so that the volunteer can understand what is being asked. When the questioning ends, the volunteer's representative can provide additional information to the County representative. Before providing such information, the volunteer's representative and the volunteer may briefly meet privately for purposes of discussion.
- D. The County is free to terminate any examination of a member in connection with an investigation at any time for any reason.
- E. The Association shall have no right to represent a member who is examined as a witness or third party in any investigation. However, if the member learns during the course of the witness/third-party investigation that he or she may be subject to discipline, he or she may request Association representation pursuant to Section 9.A. above.
- F. The volunteer, and at the volunteer's discretion, their representative, shall be notified by the investigating official in writing of the alleged charges or conduct for which the employee is being investigated upon notification of the interview/examination being scheduled. An email communication is sufficient to meet the writing requirement under this section.
- G. When a LFRD member is the subject of an Internal Affairs Investigation, notification will be made to the LFRD highest ranking official.

**Section Ten. Time, Place and Manner of Interviews/Examinations Conducted by the Internal Affairs Section of a Member.** Any interview or examination conducted by the Internal Affairs Section pursuant to Section 9 of this Article may take place at the Internal Affairs Section office, the MCVFRA Office, or at any other place to which the parties mutually agree.   - 2. **The LFRD Department Head shall be notified by the Fire Chief or designee within 24 hours of initiation of an investigation involving a member of their LFRD.**
  - 3. **Any volunteer may have up to two (2) representatives present during any investigation interview, meeting, or exam at the members choice and in accordance with Section 9 of this Article.**
  - 4. **The Fire Chief will annually submit a written report to the MCVFRA President of the number of investigations conducted by IAD involving volunteers. The report shall include time frame allegation was reported, type of allegation and findings, involving LFRD personnel.**

If during the course of an investigation it is determined that an LFRD member who has been removed under MCC Section 21-3(g) did not committed a serious violation, the member must be placed back into service within 24 hours.

Any newly developed or revised forms pertaining to the investigatory and disciplinary process shall be developed in accordance with Article 20 of this Agreement.

At the conclusion of any administrative status, a member shall be made whole for any lost LOSAP points/categories if the findings are unfounded.

The parties shall mutually agree upon a panel of at least three arbitrators. The cost of arbitration shall be shared equally by the parties. The arbitrator shall issue a decision within thirty (30) days from the date of the arbitration. The arbitrator must not add to, subtract from, or change the terms of this agreement. Further, except in circumstances involving LOSAP, the arbitrator must not award retroactive relief for more than one-hundred eighty (180) calendar days prior to the date a grievance was submitted at Step I. The volunteer must attest to the fact that they either have no insurance or that their insurance will not cover such costs and provide all such documentation as is necessary to establish the lack of insurance coverage. Reimbursement for any such tests shall not exceed \$5,000.00 over the course of the agreement. The volunteer must utilize the services of the provider recommended by FROMS, if any.

**Section Two.** In the event of an active volunteer's death in the line of duty, the designated beneficiary, beneficiaries or estate must receive the following lump sum payments: Immediate payment of \$15,000 toward funeral expenses. In addition, the appropriate LFRD President must certify in writing that the volunteer has met the requirements set forth in section one, subsections (a) through (c) of this article.

However, the active volunteers who meet the criteria listed above shall only receive such nominal fee if the active volunteer's LFRD provides service in accordance with Standby program approved by MCVFRA and the County as outlined in Article 19 of this agreement.

Both parties recognize that active volunteers perform hours of service for a public agency for civic, charitable or humanitarian reasons, without promise, expectation or receipt of compensation for services rendered. Although a volunteer can receive no compensation, a volunteer can be paid expenses, reasonable benefits, or a nominal fee to perform such service. Both parties further recognize that nothing in this agreement is intended to provide compensation or in any other way jeopardize the status of the active volunteers. Both parties agree that if a court of competent jurisdiction or the Department of Labor determines the expenses, reasonable benefits, and/or nominal fee provided in this agreement alters in any way the status of any active volunteer, the provision(s) or article(s) in question will become null and void. The parties agree that in such cases, the parties will reopen the Agreement for direct negotiation.

**If an event described in the Preamble occurs, the County Executive shall submit a supplemental appropriation request to the County Council to fund the FY21 nominal fee increases described in this Agreement. The LFRD or volunteer shall not be required to resubmit paperwork and/or certifications for simply transferring to another LFRD.

**Section Seven.** The County will issue a County ID card and PASS tag when a new volunteer joins an LFRD upon completion of their background check and acceptance into an LFRD in a timely manner.

**Section Eight.** The County agrees to provide funding, up to a maximum of \$5,000 per each year of this agreement, to pay certification fees charged by the Maryland Fire Service Professional Qualifications Board. Individual volunteers must demonstrate that they meet the requirements for certification before certification fees will be paid by the County. The County will pay certification fees on a first come, first served basis to eligible volunteers until the \$5,000 allocation is depleted.

**Section 1. Purpose:** Provide minimum staffing at all MCFRS fire and rescue stations on a continuous basis, and to ensure that a system is in place at the local fire and rescue department level to schedule volunteer personnel for volunteer staffing periods.

**Section 2. Definitions.**

- a. **Career Employee.** A fire/rescue Merit System employee of Montgomery County, or an employee of a local fire and rescue department, who provides firefighting, rescue, or emergency medical service.
- b. **Controlled Units.** Units that are considered staffed and ready for dispatch by ECC.
- c. **LFRD.** A Local Fire and Rescue Department authorized by Section 21-5 of the County Code to provide fire and rescue services.
- d. **LFRD Standby Duty Policy.** MCFRS approved LFRD Policy that directs the process by which the LFRD uses personnel and resources to reach continuous minimum staffing.
- e. **MCVFRA.** Abbreviation for the Montgomery County Volunteer Fire and Rescue Association. The MCVFRA is the official representative of the LFRDs as described in Chapter 21-6 of the County Code.
- f. **Minimum Staffing.** As defined in Montgomery County Fire and Rescue Commission Regulation 14-90AM effective date 2/11/93.
- g. **PIMS.** Personnel Information Management System.
- h. **Volunteer Staffing Periods.** Volunteer staffing periods are typically Monday through Friday 1700 hours until 0700 hours and on Saturday and Sunday 0700 hours to 0700 hours. However, volunteer staffing periods are any time periods when volunteer staffing is required to maintain minimum staffing levels on controlled units where career minimum staffing is not assigned. The staffing periods above do not preclude volunteers from participating at any other time. It is recognized that volunteers, because of work commitments, may not be able to serve the entire volunteer staffing period.
- i. **Volunteer Personnel.** Members of the LFRDs that serve the MCFRS without hourly compensation for services rendered.

**Section 3.** The intent of this Article is to ensure continuous minimum staffing utilizing volunteer staffing during volunteer staffing periods in fire and rescue stations in Montgomery County. Existing LFRD Duty/Standby Programs that meet the criteria of this Article will be approved.

Each LFRD Standby Duty policy must contain the following criteria:

- a) a written requirement to ensure qualified volunteer staffing for the volunteer staffing periods. For the purpose of this Article, this means utilizing volunteer staffing to maintain minimum staffing levels for controlled units at each LFRD fire or rescue station. The number of personnel required will vary from station to station;

- b) an enforcement mechanism for the LFRD leadership to hold volunteer personnel accountable for participation, including discipline steps for noncompliance;
- c) daily performance reporting that contains volunteer staffing information by unit, personnel serving, rank and time served; and
- d) a requirement that the LFRD Chief is responsible to ensure that:
  - volunteer personnel are assigned to riding positions and other station activities during the volunteer staffing periods;
  - volunteer personnel are managed and mentored while on duty;
  - there is adequate volunteer operational staffing during volunteer staffing periods; and
  - the actual performance of the LFRD in the Personnel Information Management System (PIMS) is reported by no later than 1700 hours on the following day.

Exceptions to the 1700 hour deadline will be handled on a case-by-case basis and may be approved by the DVS Division Chief or designee in conjunction with the LFRD Chief or designee. If a volunteer is not properly recorded in PIMS, the LFRD Chief or designee may submit a correction to the DVS Division Chief.

**Section 4. Procedure.** Each LFRD must submit a copy of their LFRD Standby Duty policy to the DVS Division Chief and the President of the MCVFRA for approval. Only policies approved by the DVS Division Chief and the President of the MCVFRA will be considered compliant with this Article. As indicated, an LFRD that currently utilizes a Standby Duty policy that meets the criteria set forth in this Article will receive approval for their existing policy. The deadline date for submission of LFRD Standby Duty policies to the DVS Division Chief and President of the MCVFRA is the close of business on October 31, 2008. Once approved by MCFRS and the MCVFRA, it is the responsibility of each LFRD to enforce their Standby Duty policy.

**Section 5. Enforcement.** LFRD volunteers will become ineligible for the Nominal Fee set forth in Article 12 if the active volunteer's LFRD does not adopt a Standby Duty policy in accordance with this Article and provide service in accordance with the approved policy. Failure to provide service means failure of the LFRD to ensure staffing per the approved LFRD Standby Policy on controlled units such that any controlled unit in the affected LFRD has a failure to respond rate of greater than two (2) percent for any calendar year, or violation of the approved LFRD Standby Duty policy after timely notice of such violation is provided by the Fire Chief or designee, in writing to the LFRD Chief or designee, with adequate specificity and a reasonable opportunity to correct the violation is afforded to the LFRD.

Failure to submit the required documentation will result in the loss of LOSAP credit for the period of time in question.

## **Article 20 - NOTICE AND OPPORTUNITY**

### **Section One. Policy Formulation**

When the MCFRS or the Fire Chief is contemplating the development of a new MCFRS policy or a change to a current MCFRS policy, the Fire Chief or designee will provide reasonable advanced notice, and if requested, will meet with MCVFRA to provide an opportunity for the MCVFRA to provide input and advice.

In order to afford an opportunity for MCVFRA to participate in policy development, MCVFRA may, at any time, develop or draft policies, regulations, or procedures to present to the Fire Chief for consideration. The Fire Chief or designee will meet with representatives from the MCVFRA on a regular basis in order to receive recommendations from the MCVFRA on policy formulation and review.

### **Section Two. Notice and Opportunity to Submit Comments**

- A. Prior to the implementation of any new or revised Directive, Safety Bulletin, Policy, Procedure, or Instruction(1) relating to or affecting LFRD volunteers, the County shall provide the MCVFRA with written electronic notice and an opportunity to submit comments.

- B. Such written electronic notice shall be addressed to the President and the Executive Director of the MCVFRA. Such written electronic notice shall include an explanation and/or description of the new or revised Directive, Safety Bulletin, and Policy, Procedure or Instruction and the date on which the County intends to implement it. A paper copy of the Directive, Safety Bulletin, Policy, Procedure or Instruction shall also be sent to the Executive Director.
- C. The MCVFRA shall have thirty (30) calendar days from the date upon which the President and Executive Director of Association is sent written electronic notice to submit written comments or, if appropriate, proposals regarding the new or revised Directive, Safety Bulletin, Policy, Procedure or Instruction. During the thirty (30)-day period, the MCVFRA may request to meet and confer with the Fire Chief or other officials regarding the new or revised Directive, Safety Bulletin, Policy, Procedure or Instruction. The County will make all reasonable efforts to accommodate the MCVFRA's request to meet and confer. If the MCVFRA submits proposals on negotiable matters, the parties shall meet to discuss such proposals during and, if necessary, after the expiration of the thirty (30)-day period. The Fire Chief, at his discretion, may accept the recommendations and revise the new or revised Directive, Safety Bulletin, Policy, Procedure or Instruction, continue to meet, extend the timeframe for review and comment beyond the 30 days, develop other means to come to an agreement or proceed with his draft of the new or revised Directive, Safety Bulletin, Policy, Procedure or Instruction.
- D. If an MCVFRA member is disciplined by the Fire Chief due to a serious offense and such discipline is related to the implementation of any new or revised Directive, the County shall have the burden to demonstrate that the MCVFRA was provided notice and opportunity to submit written comments on such Directive, Safety Bulletin, Policy, Procedure or Instruction.

The parties understand and agree that the term "Instruction" refers to:

- a) a written explanation provided by the Division Chiefs or the Fire Chief regarding the processes and/or procedures associated with the implementation of a new or revised Directive, Safety Bulletin, Policy or Procedure; or,
- b) written explanation/clarification provided by the Division Chiefs or the Fire Chief regarding an existing Directive, Safety Bulletin, Policy or Procedure that deviates from an established past practice.

**Section Three. 45-Day Advance Notice**

- (A) The Fire Chief may establish a committee when a policy, procedure, fire chief's general order, or executive regulation requires updating, revision, modification or promulgation.
- (B) If such committee is established, the Fire Chief may invite MCVFRA to appoint a representative(s) to participate on the committee.
- (C) If a representative(s) of the MCVFRA was invited to participate on the committee, the MCVFRA waives the 45-day advanced notice required prior to notice and opportunity, as stated in the Amended Memorandum of Understanding (MOU) Section IV (B), signed by the parties Isiah Leggett, County Executive and Marcine Goodloe, President, on 2/25/13.

**Article 21 - COMMUNICATIONS**

Electronic Correspondence: The County agrees to create a #FRS.Volunteer Bargaining Unit email group for official MCVFRA correspondence sent to bargaining unit members. The County agrees to provide the MCVFRA President, or designee, access to the distribution group. Access to send correspondence to this group will be limited to authorized officers of the MCVFRA as defined by the MCVFRA.

## **Article 22 - VOLUNTEER BASIC ORIENTATION COURSE**

**Section One.** The County agrees to fund the Volunteer Basic Orientation Course \$9,000 on July 1 each year of the agreement. Additional funding not to exceed \$12,000 would be available for reimbursement, for a total available funding of \$21,000 each year. The funding requests will be submitted to the fire chief and/or designee for reimbursement each quarter with appropriate cost documentation.

## **Article 23 - WELLNESS PROGRAM**

**Section One.** Effective 1/1/2014, the County's Wellness Program has 55 hours annually for wellness-specific product delivery through its Employee Assistance Program (EAP) contractor, such as one-hour lunch and learn seminars and webinars. Wellness topics include, but are not limited to: healthy living; smoking cessation; the impact of shift work; sleep as an essential component of health and wellbeing; healthy lifestyles; and understanding depression. MCVFRA are currently covered members under the County's EAP.

The County's Wellness Program has developed a specific plan for fire rescue personnel titled "Fire Rescue Functional Fitness," which addresses both cardiovascular and functional fitness. Fire Rescue Functional Fitness will be conducted onsite at the fire stations and will be available to MCVFRA utilizing volunteer friendly hours to the extent possible.

## **Article 24 - IMPASSE/FACT-FINDING**

**Section One.** During the course of negotiating, either party may declare an impasse and request the services of the impasse neutral, or the parties may jointly request those services before declaring an impasse. Except where specified otherwise in Section 21-6, the timetable and process for impasses resolution, including Council review, must follow the timetable and process in Section 33-153.

## **Article 25 - LOSAP**

The parties have agreed during this term of direct bargaining to amend Montgomery County Code 21-21 to provide adjustments to the LOSAP Benefits and the Stand-by-Point System associated therewith. See Montgomery County Code 21-21 for the complete revisions. Payment method: All LOSAP payments will be made by direct deposit.<sup>3</sup>

**If an event described in the Preamble occurs, the County Executive shall submit a supplemental appropriation request to the County Council to fund the FY21 LOSAP benefit increase described in this Agreement. If the Council approves the supplemental appropriation for the LOSAP benefit increase, the increase shall be effective on a date to be negotiated with the Association before the supplemental appropriation is submitted for the Council's review.**

---

<sup>3</sup> The County Council rejected proposed amendments to the County Code, which would have provided for LOSAP benefit increases of 3% for all members and an additional 2.5% for certain members. See Council Resolution No. 19-472 (adopted May 21, 2020).

IN WITNESS WHEREOF, the parties hereto have caused their names to be subscribed hereto by their duly authorized officers and representatives this \_\_\_ day of July 2020.

**Subject:** MCVFRA Agreement

I found the attached fiscal impact statement for the MCVFRA Agreement in the CE recommended operating budget. This raises some questions.

1. As you know, the Council rejected each increase in the nominal fee, LOSAP, and association funding for FY21. The fiscal impact shows new nominal fees at the same level as the FY22 Agreement. Does that mean that the CE is recommending the Council approve the step up in the nominal fee for both FY21 and FY22 this year. [The FY21 funding will be sent to the Council as a supplemental appropriation for the FY21 budget based upon a separately negotiated agreement that is being circulated for signatures before it will be sent to the Council. The increase to the FY22 nominal fee level reflects the agreed upon nominal fee for FY22 and is built off an FY20 base. The FY21 increases that will be submitted in the supplemental appropriation do not impact the funding needed to address the difference in the FY22 costs and the amount in the starting budget \(i.e., FY20\).](#)
2. What would be the total cost of the nominal fee at the recommended rate? Is the \$119,935 the

increase from FY20 or FY21? The total projected nominal fee cost in FY22 is \$784,050. The \$119,935 represents the increase over FY20.

3. Does the \$26,141 increase in Association Funding represent an increase over FY20 or FY21? What is the total amount requested for FY22? The \$26,141 increase in Association Funding represents an increase over FY20.
4. The LOSAP increases must be made in law. Where is the proposed legislation to accomplish this? Legislation drafted for this purpose is under review and will be sent once it is approved.

Since the Agreement was sent over 18 days late, please provide these answers as soon as possible. The MCVFRA Agreement is tentatively scheduled to go to the Public Safety Committee with the Fire budget on April 29.

**Subject:** MCVFRA Agreement

I found the attached fiscal impact statement for the MCVFRA Agreement in the CE recommended operating budget. This raises some questions.

1. As you know, the Council rejected each increase in the nominal fee, LOSAP, and association funding for FY21. The fiscal impact shows new nominal fees at the same level as the FY22 Agreement. Does

that mean that the CE is recommending the Council approve the step up in the nominal fee for both FY21 and FY22 this year. The FY21 funding will be sent to the Council as a supplemental appropriation for the FY21 budget based upon a separately negotiated agreement that is being circulated for signatures before it will be sent to the Council. The increase to the FY22 nominal fee level reflects the agreed upon nominal fee for FY22 and is built off an FY20 base. The FY21 increases that will be submitted in the supplemental appropriation do not impact the funding needed to address the difference in the FY22 costs and the amount in the starting budget (i.e., FY20).

2. What would be the total cost of the nominal fee at the recommended rate? Is the \$119,935 the increase from FY20 or FY21? The total projected nominal fee cost in FY22 is \$784,050. The \$119,935 represents the increase over FY20.
3. Does the \$26,141 increase in Association Funding represent an increase over FY20 or FY21? What is the total amount requested for FY22? The \$26,141 increase in Association Funding represents an increase over FY20.
4. The LOSAP increases must be made in law. Where is the proposed legislation to accomplish this? Legislation drafted for this purpose is under review and will be sent once it is approved.

Since the Agreement was sent over 18 days late, please provide these answers as soon as possible. The MCVFRA Agreement is tentatively scheduled to go to the Public Safety Committee with the Fire budget on April 29.

**COUNTY COUNCIL  
FOR MONTGOMERY COUNTY, MARYLAND**

**SUBJECT:** Memorandum of Agreement with Montgomery County Volunteer Fire and Rescue Association (MCFVRA)

**Background**

1. County Code Section 21-6 establishes a process for Local Fire and Rescue Departments (LFRD's) to select an authorized representative to represent their interests and requires the Fire Chief to negotiate in good faith with the authorized representative on certain issues affecting LFRD's and their volunteers.
2. The LFRD's selected the Montgomery County Volunteer Fire and Rescue Association (MCFVRA) to be their authorized representative.
3. On March 31, 2020, the Executive submitted to the Council the attached Memorandum of Agreement between Montgomery County Government and Montgomery County Volunteer Fire and Rescue Association for the period from July 1, 2020, until June 30, 2023.
4. Code Section 21-6(p) requires the Executive to submit to the Council any element of an agreement that requires an appropriation of funds, may have a future fiscal impact, is inconsistent with any County law or regulation, or requires the enactment or adoption of any County law or regulation. Section 21-6(q) directs the Council to notify the parties within 60 days if it disapproves an agreement in whole or in part. The Council may by resolution extend the time for action.
5. The Council reviewed and indicated its intent to approve or reject each of the portions of the 1<sup>st</sup> year of the Memorandum of Agreement requiring an appropriation of funds or legislation for FY21 on May 5, 2020.

**Action**

The County Council for Montgomery County, Maryland approves the following resolution:

The County Council rejects the following provisions of the Agreement for FY2021:

1. *Association Operating Funds.* The Agreement required the County to transfer \$312,789, up from \$255,037 in FY20, to the MCVFRA in FY21 to serve as the LFRD's authorized representative on July 1, 2020, representing an increase of 22.6% or \$57,752 for FY21.
2. *Increase for Length of Service Awards (LOSAP).* The Agreement requires the Executive to send legislation to the County to increase the LOSAP payments by 3% on July 1, 2020 for an estimated FY21 increase of \$55,822.
3. *Nominal Fee.* Article 12 of the Agreement raises the nominal fee payable to each eligible volunteer in FY21 from \$455 to \$500 for tier 1 (9.9%) and from \$700 to \$800 (14.3%) for tier 2. OMB estimated the cost of the nominal fee in FY21 would be \$653,553, or an increase of \$45,685 over the FY20 amount.

The County Council approves the following provisions that do not increase the funding provided in FY2020.

1. *Volunteer Basic Orientation Course.* Article 22 of the Agreement requires the County to fund a volunteer basic orientation course in FY21 at a total cost of \$21,000. This is the same as the FY20 cost.
2. *Training.* Article 16 of the Agreement requires the County to provide \$15,000 for volunteer training in FY21. This is the same as the FY20 cost.

This is a correct copy of Council action.

The parties recognize the importance of completing an investigation of a volunteer in as timely a manner as possible. This is especially true for investigations in which the volunteer has been placed in a non-punitive Administrative status. The member or their representative may request a reevaluation of the need to remain on Administrative status every 60 days or whenever there is a substantive change in the investigation.
