Open Restaurants Text Amendment Citywide 6/18/2021

1. Introduction

The Open Restaurants Text Amendment will remove Article 1, Chapter 4 and all other text related to sidewalk café regulations from the Zoning Resolution. The proposed text amendment will no longer require restaurants to have appropriate zoning in order to apply for the sidewalk café program. If this text amendment is adopted, restaurants seeking to open a sidewalk café would be required to apply for approvals from the proposed DOT permanent Open Restaurants program.

2. Background

SIDEWALK CAFÉS & EMERGENCY OPEN RESTAURANTS PROGRAM

EXISTING SIDEWALK CAFÉ AND STREET SEATS PROGRAMS

There are approximately 27,000 restaurants across the City of New York. The existing permanent outdoor dining permitting program (the “existing program”) applicable to these restaurants consist of a sidewalk café program administered by DCWP and a Street Seats program administered by DOT. As of March 2020, there were 1,224 active permits for sidewalk cafés¹ and 25 active permits for Street Seats.

Locational criteria for sidewalk cafés are regulated by the ZR, Article I, Chapter 4: Sidewalk Regulations. There are three types of sidewalk cafés under the existing program: enclosed cafés, unenclosed cafés, and small unenclosed cafés. Unenclosed sidewalk cafés are permitted in commercial, manufacturing, and select high density residential (R10H) districts only, though there are exceptions to these regulations, including specific districts and streets with further prohibitions or restrictions applied to sidewalk cafés, as well as special purpose districts in which sidewalk cafés are permitted. Enclosed cafés are allowed in most locations, except for prohibitions in additional special districts such as Hudson Yards, Lower Manhattan, and East Harlem. Small unenclosed cafés only are allowed in additional areas of Manhattan, as part of a moderate expansion of eligibility in 2004.

Pursuant to the Administrative Code, all of these café types are subject to specific clear path regulations based on their location, while the minimum clear path² required for all

¹ Including 1,122 unenclosed and 102 enclosed cafés. While enclosed cafés would not be part of the proposed POR program, the existing enclosed cafés would be allowed to continue to operate as such.

² According to the DCWP Sidewalk Café Design and Regulations Guide, all sidewalk cafés must maintain a minimum clear path of eight (8) feet between the outer limit of the café and any object near the curb, including the curbstone. Traffic signs, parking meters, and trees with grating flush to grade will not be considered an obstruction to the 8-

sidewalk cafés is 8 feet or 50 percent of the sidewalk width, whichever is greater. Additional requirements dictate the offsets required from sidewalk cafés to sidewalk obstructions such as fixtures and furniture. These requirements are designed to allow sufficient passage for pedestrians and other sidewalk users. Participating cafés are also subject to DCWP regulations governing their sign display, set-up, table count, railings, fences, planters, valences, canopies, awnings, and heaters, in coordination with required approvals from the New York City Department of Buildings (DOB) and the Landmarks Preservation Commission (LPC), as applicable.

Street Seats is a citywide program in which businesses and institutions may apply to DOT for a permit to install facilities in the roadbed along the curb line to create a setting for outdoor dining or other activities. Any type of business or institution that owns or operates the frontage at the ground floor of a building may be eligible to install and maintain a Street Seat. Business Improvement Districts (BIDs) and non-profit organizations without frontage can also be eligible, if they work in partnership with a local business that has frontage. Siting and design requirements for Street Seat sites include specific provisions to ensure that the facilities do not obstruct sidewalk and roadway amenities and infrastructure, as well as providing protection for Street Seat users. Street Seats is a seasonal program spanning the months of March through December and any outdoor dining facilities included in the Street Seats program are subject to specific operating hour restrictions.

EMERGENCY OPEN RESTAURANTS PROGRAM

Following the onset of the COVID-19 pandemic in 2020, the permanent outdoor dining program was suspended and replaced by a temporary program per Local Law 77 of 2020 and Mayoral Emergency Executive Orders 126 and 128. The temporary Open Restaurants Program (the “temporary program”) is an emergency citywide program to expand outdoor seating options for food service establishments to maintain public health and safety, enhance social distancing, and help them rebound in difficult economic times. Under the temporary program, individual food service establishments may apply to DOT and self-certify to use the sidewalk or curb parking lane on the roadway adjacent to their business. As of March 2021, there were 10,131 self-certified emergency open restaurant applications recorded citywide. Of these, 1,042 were for roadway seating only, 4,151 were for sidewalk seating only, and 5,579 included both roadway and sidewalk seating.

PERMANENT OPEN RESTAURANTS

In accordance with Local Law 114 of 2020 enacted by City Council and Mayoral directives, the city seeks to establish a permanent Open Restaurants program to succeed the temporary program. The program is anticipated to allow for the Department of Transportation to administer a sidewalk and roadway outdoor dining program on a

foot clear path requirement. Sidewalk cafés must maintain a nine (9) foot clear path to an intersection, with no exceptions.

citywide basis, and to establish physical rules and operational criteria and administrative procedures that balance both the goal of ease of use and the multiple users and demands upon street space. The full program is anticipated to require additional legislative actions as well as DOT agency rulemaking for implementation.

As a component of this overall legislative package, DOT and DCP are jointly proposing to amend the Zoning Resolution to remove locational prohibitions from the Zoning rules, in order to allow citywide potential applicability based on DOT siting criteria.

3. Description of Proposed Project Area

The proposed POR program and proposed text amendment would be implemented citywide, with no geographic restrictions other than the underlying zoning regulations on where restaurant uses are generally allowed. However, existing non-conforming restaurants that operate in zoning districts that do not allow restaurants as-of-right, would also be eligible for the POR program.

4. Description of the Proposed Action

The Proposed Action would also remove any zoning geographic restrictions on sidewalk café eligibility in the program to allow any restaurant with an active DOHMH food service establishment license and ground floor frontage to apply for an Open Restaurant permit so long as they meet the siting criteria as established in the proposed DOT permanent Open Restaurants program.

5. Action(s) Necessary to Facilitate the Project

Revisions to provisions of the New York City Zoning Resolution (ZR) to the extent necessary to provide for the implementation, administration and operation of the Open Restaurants Program, including:

- ZR, Article 1, Chapter 2, relating to sidewalk café definitions;
- ZR, Article 1, Chapter 4, relating to sidewalk cafe regulations;
- ZR Section 22-00, to the extent that a sidewalk café may not be enlarged in R10H Districts;
- ZR Section 32-411, to the extent such section does not allow for operable windows;
- ZR Section 33-05 & 43-03, to clarify the compatibility of DOT café programs and sidewalk widening.

- ZR Section 52-34, to the extent such section requires certain eating and drinking establishment uses in Residence Districts to be located within completely enclosed buildings;
- ZR Section 73-243, to extent BSA special permit provisions allowing for eating and drinking establishments would preclude operable windows;
- ZR Section 83-05 to extent that it would preclude operable windows in a Limited Commercial District;
- ZR Section 97-03, 97-13, 97-14, 97-412 to the extent such section limits the locations of sidewalk cafes in the Special 125th Street District;
- ZR Section 109-02, to the extent such section imposes any condition on the use of public streets and sidewalks for the maintenance of sidewalk cafes or outdoor cafes by restaurants in the Special Little Italy District; and
- ZR Section 117-03, 117-05, to the extent such section limits the locations of sidewalk cafes in the Special Long Island City Mixed Use District.

The Zoning Amendment will make thousands of restaurants potentially eligible for a sidewalk café by removing outdated geographic prohibitions on where sidewalk cafes can be located. In so doing, it will facilitate in expanding the benefits of outdoor dining to all New York City Neighborhoods. This action will support small businesses and job creation in the restaurant industry, activate our streets, and simplify and streamline our rules for outdoor dining under a single agency.

Chapter 4 Sidewalk Cafe Regulations

14-00 GENERAL PURPOSES

~~The sidewalk cafe regulations as established in this Resolution are citywide regulations, designed to encourage sidewalk cafes in locations where they are appropriate, discourage them in locations where they are inappropriate, and promote and protect public health, safety, general welfare and amenity. These general goals include, among others, the following specific purposes:~~

- ~~(a) — To ensure adequate space for pedestrians on the sidewalk adjacent to sidewalk cafes.~~
- ~~(b) — To promote sidewalk cafes as visual amenities that better relate to the streetscape.~~
- ~~(c) — To preserve and enhance the character of neighborhoods throughout the City.~~
- ~~(d) — To simplify administrative regulations and strengthen enforcement procedures for sidewalk cafes and ensure that such requirements are effective, efficient and enforceable.~~
- ~~(e) — To promote the most desirable use of land and thus to conserve the value of land and buildings and thereby protect the City's tax revenues.~~

14-01

General Provisions

~~In harmony with the general purpose and intent of this Resolution, and the general purposes of the #sidewalk cafe# regulations, certain specified regulations concerning area eligibility, sidewalk locational criteria and physical criteria for #sidewalk cafes#, in general, and specifically for #enclosed sidewalk cafes#, are herein established.~~

~~The three types of #sidewalk cafes# that are permitted by the regulations of this Chapter and defined in Section 12-10 (DEFINITIONS) are #enclosed sidewalk cafes#, #unenclosed sidewalk cafes# and #small sidewalk cafes#.~~

~~The amendments to Article I, Chapter 4, adopted by the City Council on January 29, 2003, shall become effective March 27, 2003.~~

~~Physical criteria, including structural and operational requirements for #sidewalk cafes#, and #unenclosed sidewalk cafes# in particular, shall be regulated by the Department of Consumer Affairs and found in Title 6, Chapter 2, Subchapter F., of the Rules of the City of New York.~~

~~Licenses for all #sidewalk cafes# must be obtained from the Department of Consumer Affairs, or its successor.~~

14-011

Sidewalk cafe locations

~~#Sidewalk cafes# may be located in all R10H Districts, in all #Commercial Districts# other than C3 Districts and in all #Manufacturing Districts# only where eating or drinking establishments are permitted, as modified by special eligibility regulations set forth in Sections 14-40 through 14-45, inclusive. These sections identify #streets#, areas, special districts and malls or portions of #streets# for which special area eligibility regulations apply:~~

~~Section 14-40 — (AREA ELIGIBILITY FOR SIDEWALK CAFES)~~

~~Section 14-41 — (Locations Where Certain Sidewalk Cafes Are Not Permitted)~~

~~Section 14-42 — (Locations Where Enclosed Sidewalk Cafes Are Not Permitted)~~

~~Section 14-43 — (Locations Where Only Small Sidewalk Cafes Are Permitted)~~

~~Section 14-44 — (Special Zoning Districts Where Certain Sidewalk Cafes Are Permitted)~~

~~Section 14-45 — (Street Malls Where Certain Sidewalk Cafes Are Permitted).~~

~~#Sidewalk cafes# shall be permitted in Historic Districts or in designated landmark #buildings# only if such #sidewalk cafe# is approved by the Landmarks Preservation Commission.~~

14-10

ENCLOSED SIDEWALK CAFES

14-11

Locational Criteria for Enclosed Sidewalk Cafes

~~The regulations of this Section, governing clear path, clearance at intersection of #streets#, clearance from large obstructions and minimum distance between two cafes shall apply to all #enclosed sidewalk cafes#.~~

~~(a) — Clear path~~

~~There shall be a minimum of 8 feet, 0 inches clear distance or 50 percent of the sidewalk width, whichever is greater, free of all obstructions, in order to allow adequate pedestrian movement.~~

~~The minimum distance shall be measured from the portion of the #enclosed sidewalk cafe# frontage that is nearest either the curb line or the nearest obstruction. In no event may recesses in the #enclosed sidewalk cafe# frontage be used to satisfy this unobstructed width requirement, except that the corners of the #enclosed sidewalk cafe# may be rounded or mitered. A clearance of 8 feet, 0 inches shall be maintained around the corners of #enclosed sidewalk cafes#, measured in radius.~~

For the purpose of the minimum clear path, but not the clearance from corners of ~~#enclosed sidewalk cafes#~~, parking meters, traffic signs, and trees that have gratings flush to grade, without fences or guards, shall not count as obstructions

In the case of a ~~#street#~~ for which a mall plan or other special plan has been adopted, the clear path requirements pursuant to this Section shall be deemed satisfied if there is not less than an 8 feet, 0 inches clear path.

~~(b) — Clearance at intersections of street line~~

~~There shall be a minimum of 9 feet, 0 inches clearance, free of all obstructions with no exception, measured from the outer edge of the #enclosed sidewalk cafe# to the curbside obstacle. The corner of the #enclosed sidewalk cafe# wall may be rounded or mitered. Such distance shall be measured from the outer edge of the #enclosed sidewalk cafe# to either the curb line or the nearest obstruction.~~

~~(c) — Clearance from large obstructions~~

~~All #enclosed sidewalk cafes# shall be a minimum of 15 feet from large obstructions. For the purposes of this Section, large obstructions shall be bus stop shelters, newsstands, subway entrances or any other object greater than 15 square feet in area. The closed end of a subway entrance located along the #front lot line# may #abut# an #enclosed sidewalk cafe#.~~

~~(d) — Minimum distance between enclosed sidewalk cafes~~

~~There shall be a minimum distance of 40 feet between the near end walls of two #enclosed sidewalk cafes# if an entrance to a ground floor #commercial use#, other than an entrance to the eating or drinking place associated with either #enclosed sidewalk cafe#, is located between them.~~

~~There shall be a minimum distance of 15 feet between the near end walls of two #enclosed sidewalk cafes# if an entrance to a ground floor non #commercial use#, or a #use# located above or below the ground floor, other than an entrance to the eating or drinking place associated with either #enclosed sidewalk cafe#, is located between them.~~

14-12

Physical Criteria for Enclosed Sidewalk Cafes

14-121

Structural requirements for enclosed sidewalk cafes

The regulations of this Section governing certain structural and operational requirements shall apply to all ~~#enclosed sidewalk cafes#~~.

(a) — Ceiling

~~The ceiling of an #enclosed sidewalk cafe# shall be of incombustible materials, including colored or colorless safety glass or fabric which has been treated to be fire resistant as approved by the Department of Buildings.~~

~~At no point shall the height of the ceiling of an #enclosed sidewalk cafe# be lower than 7 feet, 0 inches above the floor of the #sidewalk cafe#.~~

(b) — Transparency — exterior walls

~~An #enclosed sidewalk cafe# may provide a base wall of opaque material up to a maximum height of 12 inches from the finished floor level. The base wall shall include any horizontal structural members that support transparent materials above.~~

~~All enclosing walls, doors and windows, except for the structural members, above finished floor level or base wall as provided in this Section, up to a height of 7 feet, 0 inches above finished floor level, must be of colorless, untinted, non-reflective, transparent material, as approved by the Department of Buildings. In order to maximize transparency, the horizontal as well as vertical structural members shall not be sized more than 10 inches wide.~~

~~At least 50 percent of the walls, up to a height of 7 feet, 0 inches above finished floor level, shall consist of operable transparent windows.~~

(c) — Elevation

~~The #enclosed sidewalk cafe# floor shall not be more than seven inches above the level of the adjoining sidewalk.~~

~~In the event of a major grade change, however, the City Planning Commission may, by certification, permit the floor level to be more than seven inches above the level of the adjoining sidewalk.~~

(d) — Designated boundaries

~~No portion of #enclosed sidewalk cafes#, such as doors, windows, walls or any objects placed within an #enclosed sidewalk cafe#, shall swing or project beyond the designated exterior perimeter of the #enclosed sidewalk cafe#. However, fire exit doors that are used exclusively as emergency fire exit doors shall be exempt from this provision.~~

(e) — Fixtures

~~The furnishings of the interior of an #enclosed sidewalk cafe# shall consist solely of moveable tables, chairs and decorative accessories. No objects, except lighting fixtures~~

and HVAC installations, may be permanently affixed onto any portion of the wall of the ~~#enclosed sidewalk cafe#~~. In no event shall such objects penetrate the exterior perimeter of the wall or the roof of the ~~#enclosed sidewalk cafe#~~ or impede the transparency as required by this Chapter. The exhaust for such HVAC installations on the adjacent walls shall not be less than 10 feet above ~~#curb level#~~.

(f) — Refuse storage area

No structure or enclosure to accommodate the storage of garbage may be erected or placed adjacent to or separate from the ~~#enclosed sidewalk cafe#~~ on the public right-of-way.

14-122

Access for persons with physical disabilities

An ~~#enclosed sidewalk cafe#~~ or its restaurant shall be directly accessible to persons with physical disabilities. In the event the main restaurant has provided such access, the ~~#enclosed sidewalk cafe#~~ shall be accessible to persons with disabilities from the interior of the restaurant.

In order to ensure access for persons with physical disabilities:

- (a) — at least one door leading into the ~~#enclosed sidewalk cafe#~~ or restaurant from the adjoining sidewalk shall be not less than three feet wide, clear; and
- (b) — a ramp with non-skid surface, if there is change of grade, having a minimum width of three feet and a slope of not greater than 1 in 12, shall be provided. Such ramp may be of portable type for ~~#enclosed sidewalk cafes#~~ that are six feet wide or less, except if such ~~#sidewalk cafe#~~ is at least 180 square feet in area.

14-123

Signage

No ~~#signs#~~ are permitted on an ~~#enclosed sidewalk cafe#~~, except that the name and type of establishment may be placed upon the glass wall but shall not obscure the required transparency.

14-124

Music and noise amplification

Musical instruments or sound reproduction devices shall not be operated or used within an ~~#enclosed sidewalk cafe#~~ for any purpose.

14-13

Special Permit Modifications of Locational or Physical Criteria for Enclosed Sidewalk Cafes

In all ~~#Commercial# or #Manufacturing Districts#~~, where ~~#enclosed sidewalk cafes#~~ are permitted in accordance with the provisions of this Chapter, the City Planning Commission may permit, upon application, modifications to the locational or physical criteria regulations for ~~#enclosed sidewalk cafes#~~, except that there shall be no modification of Sections 14-41 (Locations Where Certain Sidewalk Cafes Are Not Permitted), 14-42 (Locations Where Enclosed Sidewalk Cafes Are Not Permitted), 14-44 (Special Zoning Districts Where Certain Sidewalk Cafes Are Permitted) and 14-45 (Street Malls Where Certain Sidewalk Cafes Are Permitted), provided the Commission finds that:

- (a) — the ~~#enclosed sidewalk cafe#~~ is developed consistent with the general purposes and objectives of this Chapter;
- (b) — any proposed modification to the requirements of this Chapter will result in good overall design and enhance the general character of the ~~#street#~~ and the neighborhood;
- (c) — any proposed modifications to the requirements of this Chapter will not cause a serious adverse effect on pedestrian traffic;
- (d) — the restaurant or ~~#enclosed sidewalk cafe#~~ provides access for persons with disabilities;
- (e) — where a proposed ~~#enclosed sidewalk cafe#~~ is located between two existing stoops, it will not project beyond the stoops; and
- (f) — modifications to the provisions of paragraph (a) of Section 14-11 (Locational Criteria for Enclosed Sidewalk Cafes) shall be limited to the minimum clear path for a proposed ~~#enclosed sidewalk cafe#~~ that would be located on a ~~#street#~~ with a special pedestrian plan.

14-20 UNENCLOSED SIDEWALK CAFES

Physical criteria for ~~#unenclosed sidewalk cafes#~~, including structural and operational requirements, shall be regulated by the Department of Consumer Affairs pursuant to the Rules of the City of New York as described in Section 14-01 (General Provisions). ~~#Small sidewalk cafes#~~, however, shall also conform to the requirements of Section 14-30.

14-30 SMALL SIDEWALK CAFES

~~#Small sidewalk cafes#~~ shall be subject to the regulations of Section 14-01 (General Provisions) and, in addition, shall comply with the requirements for the definition of ~~#small sidewalk cafes#~~

in Section 12-10 as well as the following physical criteria:

- (a) — ~~no form of serving station or any other type of furniture, other than the single row of tables and chairs set adjacent to the #street line#, may be placed within that space occupied by a #small sidewalk cafe#;~~
- (b) — ~~there shall be no railing, structure or other form of barrier between a #small sidewalk cafe# and the remaining area of the sidewalk; and~~
- (c) — ~~there shall be no overhead coverage other than a retractable awning that is affixed to the #building# wall and does not extend further than 4 feet, 6 inches.~~

~~#Small sidewalk cafes# are permitted wherever #sidewalk cafes# may be located pursuant to the requirements of Section 14-011. Section 14-43 (Locations Where Only Small Sidewalk Cafes Are Permitted) lists specific #streets# and areas where no #sidewalk cafes# other than #small sidewalk cafes# may be located.~~

14-40

AREA ELIGIBILITY FOR SIDEWALK CAFES

~~Sections 14-40 through 14-45 identify those locations where specific area eligibility regulations apply.~~

~~For the purposes of Sections 14-40 through 14-45, the length of a #street# shall run the full #block# to the nearest intersections with cross #streets#, unless otherwise stated.~~

~~Areas bounded by #streets# shall include both sides of such #streets# and shall be subject to the regulations of this Chapter pertaining to such areas. When a #street# forms the boundary of a special district, however, only that side of the #street# located within the special district shall be subject to the regulations pertaining to the special district.~~

~~#Sidewalk cafes# shall only be allowed to locate along the length of a #street# or within the area bounded by #streets#, as set forth in Sections 14-40 through 14-45, where the applicable #use# regulations of the district allow eating and drinking establishments, either as of right, by certification or by authorization or special permit.~~

14-41

Locations Where Certain Sidewalk Cafes Are Not Permitted

~~No #enclosed# or #unenclosed sidewalk cafes# shall be permitted on any of the following #streets#, portions of #streets# and areas, except that #small sidewalk cafes# may be permitted pursuant to the provisions of Section 14-43 (Locations Where Only Small Sidewalk Cafes Are Permitted).~~
